LEMONGRASS SPA PRODUCTS, LLC offers natural handmade spa products to its customers. We are committed to offering products, which are free from parabens, phthalates, sulfates, mineral oil or petro-chemicals. Product denoted with an asterisk* are scented with essential oils for their aromatherapy benefits.

Please Note: Our products can offer benefits to many skin types. As a consultant, you should not make any guarantees that our products will “cure” skin diseases, aging or trauma conditions. Because our products between 97% and 100% natural, you should not refer to all the products as being “all natural”. New products and fragrances are released two times a year; let us know if you have any special requests!
ESSENTIAL OIL COLLECTION

Since the beginning, Lemongrass Spa has used essential oils to create some of its body care and skincare luxuries. Now you can enjoy a few of our favorites and create some of your own with these pure essential oils. Oils are either USDA certified organic or wild-crafted. Oils are tested with a Gas Chromotographic Spectronometer to ensure therapeutic grade quality. None of the oils have been diluted or synthetically altered.

Organic Frankincense (boswellia rivae) Clean, woody and spicy aroma. Soothe mind, reduce fine lines and wrinkles, supports immune and respiratory systems Country of origin: Ethiopia.
Organic Geranium (pelargonium graveolens) Floral, sweet, slightly herbal with soft notes of rose aroma. benefits that are relaxing, anti-inflammatory, helps calm nerves and fatigue, balances hormones, astringent for skin. Country of origin: Egypt.
Organic Lavender (lavandula angustifolia) - Steam distilled. Aroma: floral, fruity, herbal. It is balancing, soothing, calming, relaxing and healing.
Organic Lemon (citrus limon) - Cold pressed lemon peel. Aroma: clean, citrus, sugary. It is uplifting and refreshing
Organic Peppermint (menthe piperita) - Steam distilled. Aroma: minty, warm, herbal, with notes of greenery. It is refreshing and cooling
Organic Tea Tree (melaleuca alternifolia) - Steam distilled. Aroma: warm, herbal, with notes of greenery. It is uplifting, cleansing and purifying
Sweet Orange (citrus sinensis)- Cold Pressed. Aroma: citrus, sugary sweet with a floral back note Benefits: cleansing, purifying, boosts immunity, uplifts the mind and body.
Eucalyptus (eucalyptus radiate) - Steam distilled. Aroma: camphoraceous, sweet, woody. Benefits: purifying, stimulating, cooling

Blends (combination of organic and wild crafted essential oils)
Immune Boost Blend - Blend of organic cinnamon, eucalyptus, clove, rosemary and lemon. It is uplifting, refreshing, warming, comforting, purifying and invigorating
Balancing Act Blend - Delicate combination of rose geranium, clary sage, rose absolute and jasmine absolute. It is romantic, uplifting, centering, calming and relaxing. Note: Balancing Act is safe for use with boys.
Mint Revival Blend- Blend of organic lavender, rosemary and peppermint It is clarifying, invigorating, refreshing, cooling, balancing, soothing, relaxing and healing
Pure Air - Blend of lemon, juniper berry, cypress, grapefruit, frankincense, myrrh and lemongrass with benefits that are cleansing, immune support, digestion aid, energizing and uplifting
Energize - Blend of rosemary, grapefruit, lemongrass, spearmint and cypress. Benefits: energizing, uplifting, stimulating

Precautions
Always dilute pure essential oils prior to application therapy to avoid skin irritation and always avoid eye area.

♦ Children under 2 years of age: application therapy not recommended due to their delicate skin.
♦ Children 2 to 6 years of age: dilution rate of 0.5%, 2-3 drops of essential oil per 1 ounce of carrier oil.
♦ Children 6 – 12 years of age: dilution rate of 1%, 5 drops of essential oil per 1 ounce of carrier oil.
♦ Children over 12 years of age and adults: 2-3% dilution rate, 10-15 drops essential oil per ounce of carrier oil.
♦ Not for internal use. 100% pure therapeutic grade essential oils are 70-100% more potent than the herb itself and improperly ingesting them can burn the esophagus, stomach and intestinal lining. Essential oils also break down during the digestion process, making them less effective as application or inhalation therapy.
♦ These statements have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure or prevent disease.
BAR SOAP

All Lemongrass Soaps are handmade and hand cut. We recommend use of a slotted-style soap dish to increase the longevity of the soaps, which will allow the soap to dry after each use. All Lemongrass Soaps contain healing plant oils, which improve the condition of skin.

Midnight Orchid Hand & Body Soap – Pamper your skin with the feminine, fresh fragrance of lush orchid and pear combined with sandalwood and soft amber.

Oatmeal Milk & Honey Body Soap – You will love this in the shower! It moisturizes and exfoliates your skin at the same time and you’ll enjoy the delicate honey fragrance.

This soap contains coconut and palm oil to soften skin and ground gluten free oatmeal to exfoliate dry skin.

Lemongrass Signature Body Soap* – Loaded with specialty oils, calendula flower petals and lemongrass essential oil, it has a lemony fresh fragrance. 100% all-natural ingredients.

This soap contains a combination of oils for conditioning while bathing or showering. The Lemongrass essential oil is uplifting and the calendula petals soften dry skin.

Spearmint Eucalyptus Body Soap* – Relieve aching joints and energize with a moisturizing lather. Great for use in the kitchen or in the shower. Contains specialty oils, botanicals and rich spearmint and eucalyptus oils. 100% all-natural ingredients.

Men and women alike will enjoy this soap in the shower or tub. Eucalyptus oil can help relieve aching joints if used daily. Spearmint is a mild, natural deodorant.

Rosemary Shampoo Bar – Enriched with a nettle and rosemary-infusion, this shampoo bar is perfect for traveling. The jojoba and coconut oils will cleanse and condition hair and scalp.

Rosemary and Nettle are used to stimulate and condition hair and scalp. Not recommended for long hair. Best for short hair, particularly on men and children. Some customers may need to use a hair conditioner after shampooing with this product. This soap foams just as well as liquid shampoo without the foaming chemicals! 100% all-natural ingredients.

Lavender with Goat’s Milk Soap, Tea Tree Soap and Detoxifying Charcoal listed with the Radiant Skin Care Products. Men’s Private Reserve Soap listed with Men’s Products.

Note: We use RSPO Sustainable certified palm oil sourced from Columbia. RSPO certification guarantees the farming, harvesting and supply chain of palm oil is ethical and has a low environmental impact (e.g., it does not displace orangutan habitats). To learn more about RSPO certification, please visit their website http://www.rspo.org.

PREBIOTIC BODY WASH

“Health Food for Skin,” prebiotics help the PH of skin by promoting healthy bacteria on skin. 100% natural formula includes kelp extracts, coconut oil, aloe vera, sea salt, glycerin (plant derived) and citric acid.

Made without detergents, foaming chemicals or sulfates, this body wash is made from organic oils. Gentle, biodegradable and nontoxic. Avoid eye contact. The faint seawater aroma from the kelp extract is not noticeable while lathering in the shower or bath.

♦ Available in Spearmint Eucalyptus, Baby Blend, Almond, Pomegranate, Midnight Orchid and Lavender Mint and seasonal scents.
♦ Baby Blend is sold with a black pump added so moms and dads can easily dispense it while bathing small babies.
3-in-1 WASH

Men’s Essentials 3 in 1 – A 3-in-1 body wash, shampoo and shaving gel. Handcrafted with a moisturizing blend of aloe, moringa, coconut and essential oils. Also available in Unscented. 8 oz.

PREBIOTIC HAND WASH

Made without foaming sulfates, this liquid soap is made from coconut oil, vegetable glycerin, sea salt and sea kelp extract. Gentle, biodegradable and nontoxic. Avoid eye contact. Available in Tea Tree and Citrus*, Lavender Mint*, Mandarin Orange*, Unscented and Almond and seasonal scents.

Prebiotic Hand Wash Refills – Refills of the Prebiotic Hand Wash available in 16 oz. or 32 oz.

ORIGINAL FOAMING LIQUID SOAP

Foaming Liquid Hand Soap – Made without foaming sulfates, this liquid soap is made from coconut oil, olive oil and honey, and Borax. Gentle, biodegradable and nontoxic. Avoid eye contact. Available in, Coconut Lime Vanilla, Pomegranate and Tea Tree and Citrus*, Spearmint Eucalyptus*. The liquid soap comes in a foaming bottle, which can be refilled using our refill bottles.

Foaming Liquid Hand Soap Refills – Refills for the foaming bottles are available in 16 oz. or 32 oz.

On-The-Go Liquid Soap Foaming Dispenser – Now you never have to use toxic washroom soap again! Take this purse sized 50 ML foaming bottle on the go. Dispenser will arrive empty and ready for you to add your favorite Lemongrass Spa foaming liquid soap. Choose from any of our natural liquid soap refills, including Tea Tree and Citrus*, Spearmint Eucalyptus*, and Pomegranate*.

BODY POLISH

Give your body a healthy glow with our oil-rich body polishes. Perfect for exfoliating dry areas such as feet and elbows or use before shaving your legs – apply, rinse, shave! Available in many delectable blends, plus Unscented which is great for creating your own custom essential oil scent.

Almond – Sucrose (sugar), coconut oil, almond oil, whole grain gluten free oatmeal, brown sugar.

Pink Grapefruit – Sucrose (sugar), almond oil, honey and fruit fragrance. Honey used in this is an excellent skin moisturizer. The sugar is a gentle exfoliation agent.

Pomegranate – Sucrose (sugar), sweet almond oil, apricot kernel oil, mango butter, coconut oil, powdered sugar, raspberry seed oil, raspberry fruit fiber, pomegranate seed extract, vitamin e oil, grapefruit seed extract, fragrance, natural colorant.

Mandarin Orange – Sucrose (sugar), apricot kernel oil, coconut oil, mango butter, jojoba oil, honey powder, essential oil blend of mandarin orange, blood orange, lime and vanilla absolute, vitamin E oil, grapefruit seed extract.

Coconut Lime Vanilla – Sucrose (sugar), mango butter, apricot kernel oil, lemon peel powder, jojoba oil, and fragrance.

Lavender Mint – Sea salt, olive oil, lavender essential oil, peppermint essential oil. The lavender mint variety offers relaxation aromatherapy benefits due to the lavender essential oil contained therein.

Pink Champagne – Sucrose (sugar), prunus amygdalus dulcis (sweet almond) oil, mangifera indica (mango) butter, prunus armeniaca (apricot) kernel oil, cocos nucifera (coconut) oil, simmondsia chinensis (jojoba) oil, honey powder, fragrance (phthalate-free fragrance), citrus grandis (grapefruit) seed extract, tocopherol (vitamin E) oil, mica.

Midnight Orchid - Sucrose (sugar), prunus amygdalus dulcis (sweet almond) oil, mangifera indica (mango) butter,
prunus armeniaca (apricot) kernel oil, cocos nucifera (coconut) oil, simmondsia chinensi (jojoba) oil, honey powder, phthalate-free fragrance, mica for colorant, citrus grandis (grapefruit) seed extract, tocopherol (vitamin E) oil.
Unscented – 100% natural ingredients- Sucrose (sugar), Prunus Amygdalus Dulcis (Sweet Almond) Oil, Cocos Nucifera (Coconut) Oil, Prunus Armeniaca (Apricot Kernel) Oil, Mangifera Indica Seed (Mango) Butter, Simmondsia Chinensis (Jojoba Seed) Oil, Honey, Vitis Vinifera (Grapefruit Seed) Extract, Tocopherol (Vitamin E) Oil.

Body polish exfoliates skin (with the sugar or salt) and moisturizes skin with oils. The result of the sugar-based or salt-based (Lavender Mint) polishes is similar. Both varieties exfoliate and moisturize skin equally. We recommend the sugar-based polishes for persons with cuts or scrapes on their skin. Body Polish is sold in 8 oz. plastic jars.

BATH CRYSTALS

Luxurious bath salts enhanced with vitamin E and essential oils dissolve quickly to moisturize skin and delight the senses.
Fragrances include Grapefruit Lily, Lavender*, Midnight Orchid and Candy Cane (Peppermint)*. Sample vials available to consultants in Candy Cane (Peppermint) in the Consultant Supplies (not sold separately to customers).

Rock salt enhanced with fragrance or essential oils and Vitamin E oil help soften skin and provide aromatherapy results in the bath. Crystals won’t stain standard or porcelain tubs. For hot-tub use, refer to owner’s manual for recommendations. Salt baths are especially potent because the aroma therapeutic benefits of the essential oils are able to seep into the pores when combined with the salt and the warm water.

MINERAL BATH SOAK

Mineral soak provides the benefits of Dead Sea Salt in your bathtub! Mineral soak contains Dead Sea Salt, imported from Israel and Dendritic Salt, which is an excellent carrier of essential oil. Dead Sea Salt is beneficial because of its high mineral content (magnesium, potassium and calcium chlorides and bromides). Magnesium is important for both combating stress and fluid retention, slowing skin again and calming the nervous system. Calcium is effective in preventing water retention, increasing circulation and strengthening bones and nails. Potassium energizes the body and helps to balance skin moisture. Available in 16 oz. jars with scoop or 4 ounce plastic tubes. Available in Lavender Vanilla*, and Spearmint Eucalyptus*.

Naturally Radiant Face Care

This Radiant Face Care Chart above is available on the Lemongrass University website for replication purposes for use a spa parties. For additional face care documents, resources and audio recordings see the Lemongrass University website.

FACIAL CARE FOR OILY OR ACNE-PRONE SKIN TYPES:

Tea Tree Face Soap* – Offers antiseptic properties with specialty oils, clay and tea tree essential oil. Treats oily or acne-prone skin! Both teens and adults love this bar.

Tea Tree Essential Oil is a natural antiseptic, which draws impurities and oils out of the pores of skin. The soap contains oils to replenish skin’s natural oils so skin is left clean, but not tight or dry. (Customers should seek the advice of a dermatologist if they have a skin condition.)

Face Crème with Tea Tree and Citrus* – Extra-light moisturizer contains healing aloe, calendula oil, witch hazel, tea tree essential oil and vitamin E to clarify and moisturize skin. Easy-to-use treatment pump dispenses just the right amount of crème each time. Both teens and adults benefit from daily use to reduce blemishes and breakouts.

Cleansing Gel for Oily Skin – Cleanse gently with this formulation containing Aloe gel and essential oils of Lemongrass, Orange, Grapefruit and Tea Tree. 4 oz. bottle.

Clarifying Facial Mist – Gently removes excess traces of makeup and oils and reduces the appearance of large pores with natural witch hazel. Prepares skin for moisturizers, hydrates skin with tea tree, orange, grapefruit and Lemongrass essential oils without the drying effects of alcohol or chemicals. 4 oz. bottle with spray dispenser.

Face Kits - Our personalized skincare collections have been designed with your unique needs in mind. Choose items that match your skin type and see your skin transform as it becomes softer, smoother and more radiant than ever. Basic Kit: Cleanser, Tone & Balance, Moisturize. Ultimate Kit: Cleanse, Tone & Balance, Moisturize, Eye Radiance, Exfoliate, Detoxify. Luxury Kit: Cleanse, Tone & Balance, Moisturize, Eye Radiance, Exfoliate, Illuminate & Revitalize.

FACIAL CARE FOR NORMAL, SENSITIVE OR DRY SKIN TYPES

Lavender and Goat’s Milk Soap* – Relax your mind while you soften and cleanse your skin. Contains lavender essential oil and lavender petals to gently exfoliate and soften dry skin. Try it while bathing for a luxurious milk-bath experience!

♦ Lavender has been used to relax the mind and body. It also heals dry skin.
♦ The petals in the soap will exfoliate (remove dry skin).
♦ Goat’s Milk is added to make skin even softer! Excellent for sensitive and dry facial skin.

Face Crème with Botanicals – Apply this rich, smooth moisturizer daily for a more radiant you! Contains special botanical complex for improving skin tone as well as Bulgarian Lavender, Pomegranate extract and Allantoin for anti-aging benefits.

Refer to Appendix A and B at the end of Section 2 for a complete list of ingredients and their benefits.

Gentle Face Crème – Especially beneficial for sensitive skin. Contains many of the same ingredients as our Face Crème with Botanicals except there is no Rose Geranium or Lavender Essential oils to offer a scent. This is the smoothest, creamiest face crème we offer!

Hydrating Eye Crème with Cucumber Extract – Recommended for dry or sensitive skin. Reduce puffiness and firm fine lines around the eyes with refreshing eye crème. An excellent value for a 4-6 month supply (applied twice daily). The crème is an off-white color with a similar consistency as our Hand & Body Lotion. One-ounce bottle with a treatment pump dispenser. This product doubles as an eye-makeup remover and excellent for all skin types.

Original Eye Crème with Witch Hazel – Recommended for normal or oily skin. Reduce puffiness and firm fine lines around the eyes with refreshing eye crème. An excellent value for a 4-6 month supply (applied twice daily). The crème is an off-white color with a similar consistency as our Hand & Body Lotion. One-ounce bottle with a treatment pump dispenser. This product doubles as an eye-makeup remover and excellent for all skin types.
is an off-white color with a similar consistency as our Hand & Body Lotion. One-ounce bottle with a treatment pump dispenser.

Pomegranate Facial Polish – Formulated with organic jojoba beads and moisturizers, this creamy blend of pomegranate extract and grapeseed oil gently removes dead skin, leaving it soft and moisturized. Use once or twice per week. 2 oz. jar.

Cleansing Gel for Normal or Dry Skin – Cleanse gently with this formulation containing aloe gel, lavender and jasmine essential oils. 4 oz. bottle.

Pomegranate Facial Mask for Normal to Dry Skin – Pink kaolin clay helps to remove impurities from skin. Healthy moisturizers (shea butter and olive butter) are added to improve skin tone and texture. Pomegranate seed extract, honeysuckle hydrosol protect skin from free radicals and improve elasticity of skin. 2 oz. jar.

Hydrating Facial Mist – Gently removes excess traces of makeup and oils and reduces the appearance of large pores with natural witch hazel. Prepares skin for moisturizers, hydrates skin with honeysuckle, rose geranium and jasmine essential oils without the drying effects of alcohol or chemicals. 4 oz bottle with spray dispenser.

Face Kits - Our personalized skincare collections have been designed with your unique needs in mind. Choose items that match your skin type and see your skin transform as it becomes softer, smoother and more radiant than ever. Basic Kit: Cleanser, Tone & Balance, Moisturize. Ultimate Kit: Cleanse, Tone & Balance, Moisturize, Eye Radiance, Exfoliate, Detoxify. Luxury Kit: Cleanse, Tone & Balance, Moisturize, Eye Radiance, Exfoliate, Illuminate & Revitalize.

**Facial Care for All Skin Types**

Detoxifying Charcoal Face Soap - Draws impurities from pores leaving your skin silky smooth. Contains certified organic lemongrass and spearmint essential oils for added toning and purifying benefits. Excellent as an all-over body bar.

Detoxifying Charcoal Facial Mask - This handcrafted creamy mask is enhanced with bentonite clay to reduce excess oil without drying. Super charged with antioxidants including green tea extract and Vitamin B. Apply once per week to improve skin tone and radiance.

Organic Anti Aging Serum – 100% natural oil blend to hydrate, condition and improve overall health of skin. For normal, dry, sensitive and aging skin types. Contains organic avocado oil, which has been shown to boost collagen production. Serum helps stimulate cellular production to keep aging skin looking youthful. Naturally occurring antioxidants in Argan, Moringa and Apricot Kernel Oil are absorbed quickly leaving skin hydrated and radiant. Vitamins B, C and E help guard against free radicals and boost luminosity.

Green Tea Antioxidant Serum – Best for normal, oily or sensitive skin types. This oil-free super serum improves vitality and softness of skin. Helps reduce the appearance of pores and evens out skin texture. Lightweight formula contains B3, B5, B7, C and E vitamins plus revolutionary coenzyme Q10 and green tea. Absorbs quickly leaving skin feeling firm, hydrated and radiant. Vitamins B, C and E help guard against free radicals and boost luminosity. This is a wonderful alternative to moisturizers for very humid climates.

Detoxifying Charcoal Face Polish - Packed with red raspberry and acai to help recharge cells for glowing skin. Jojoba beads gently exfoliate skin. Perfect for all skin types, especially if yours is oily or blemished.

**Travel Face Care Kit, Normal:** is a set of five trial-sized products in a clear cosmetic bag. Features Gentle Cleansing Gel, Hydrating Eye Creme, Pomegranate Facial Polish, Face Crème with Botanicals, and Pomegranate Facial Mask.

**Travel Face Care Kit, Dry/ Sensitive:** is a set of five trial-sized products in a clear cosmetic bag. Features Gentle Cleansing Gel, Lavender Bar Soap, Hydrating Eye Creme, Pomegranate Facial Polish, and Gentle Face Creme.

---

March 2017

Lemongrass Spa Products, LLC

209
**Travel Face Care Kit, Oily/ Blimished:** is a set of five trial-sized products in a clear cosmetic bag. Features Prebiotic Facial Wash, Tea Tree Facial Bar Soap, Detoxifying Charcoal Facial Mask, Detoxifying Charcoal Facial Mask and Tea Tree Face Creme.

**Travel Face Care Kit, Charcoal:** is a set of five trial-sized products in a clear cosmetic bag. Features Detoxifying Charcoal Face Soap, Detoxifying Charcoal Facial Mask, Detoxifying Charcoal Facial Polish, Face Crème with Tea Tree & Citrus, Original Eye Crème.

---

**PREBIOTIC FACE CARE**

A pH balanced cleansing gel that naturally removes dirt and makeup. The formula, enhanced with chamomile extract for extra healing, helps improve skin’s texture and reduces the appearance of fine lines, redness, or acne when used over time. The formula cleanses the skin without destroying the good bacteria present on your skin, which are necessary for healthy cell regeneration.

---

**LIP BALM IN A TUBE**

- Pink Shimmer and Burgundy Mint Shimmer lip balm contains mica (natural minerals) to add a slight shimmer and a light pink hue to the balm. Pink Shimmer has a light Dreamsicle flavor oil and stevia (natural sweetener) to enhance the product. Burgundy Mint Shimmer contains Peppermint Essential Oil to freshen breath and tingle your lips. Burgundy Mint Shimmer is 100% all-natural.

- Spearmint contains Spearmint essential oil for a pleasant fragrance. No color or mica is added to the Spearmint lip balm in a tube. This is an all-natural product.

**Lip Balm Quartet** – includes your choice of four lip balms in a clear, snap bag for easy travel. Pink Shimmer, Burgundy Mint Shimmer, Spearmint, and Pomegranate are featured in the set. Kids Quartet includes choice of four kid’s lip balm in Bubble Gum, Grape, Candy Cane and Banana in a clear, snap bag for easy travel.

---

**LIP TREATMENT SET**

**Exfoliating Lip Polish** and **Nourishing Lip Butter** are packaged together in a drawstring pouch. Exfoliate dry lips with the sugar-based Lip Polish; contains molasses and shea butter to gently buff away dead skin. Remove Polish from lips with a wet washcloth or tissue. Next, lock in moisture by applying the Nourishing Lip Butter. Contains hydrating Mango Butter and Calendula oil for extra healing. Sheer, nude tint with a glossy shine.

---

**NATURAL DEODORANT**

We offer natural deodorant in many scents to meet every person’s needs. Our superb deodorants contain **No aluminum, parabens, phthalates or propylene glycol**!

- This is a deodorant, not an antiperspirant.
- In very hot conditions or during excessive exercise product may wear off with your body’s sweat and will need to be reapplied.

- **Natural Deodorant Stick** – special blend of cocoa butter, beeswax, baking soda, arrowroot powder and probiotics. Select from Grapefruit Lily, Cucumber, or Men’s Private Reserve, 2.5 oz. oval twist-up dispenser.

  - A probiotic is a microorganism introduced into the body for its beneficial qualities. The INCI name for the probiotic in our deodorant is Lactobacillus Ferment. It can be helpful in reducing bacteria in the
underarm area, which can cause odor when people sweat. Lactobacillus is one of the species of microorganisms used to produce fermented products such as sauerkraut. Like many members of the lactic acid bacteria family, Lactobacillus is capable of restricting the growth of other microorganisms by acidifying its environment. Lactobacillus also produces antimicrobial peptides that are capable of providing broad-spectrum antimicrobial protection.

- Arrowroot powder and baking soda are used to help curb odor and wetness.

- **Deodorant Paste** – Cream-to-powder formula with baking soda and shea butter. Select from Sport Blend, Lemongrass, Lavender Vanilla or Unscented.

- **Deodorant Spray** – A blend of witch hazel and essential oils, which can be used alone or before applying Deodorant Paste. Select from Sport Blend, Lemongrass, Lavender Vanilla or Unscented.

**ORGANIC NAIL BALM**

Nail Balm is a special blend of 100% natural olive, horsetail and apricot kernel oils to help prevent splitting nails and unsightly cuticles. Manicurists love it for their clients! Use twice daily for results after only one week of use. This product is great for gardeners, and individuals who wear rubber gloves. Offered in a 2 oz. jar, a 2 oz. jar plus a .75 oz. tube or a 3-pack of .75 oz. tubes in a clear pouch.

Horsetail oil is the active ingredient in this nail balm. Horsetail oil, which is extracted from the horsetail plant, is absorbed into cuticles to heal and soften dry, cracked, brittle nails and cuticles. Horsetail oil helps restore proteins to rebuild healthy nails. (No animal products/by-products comprise horsetail oil.)

**MASSAGE BAR IN TIN**

A sweet blend of cocoa butter, beeswax and almond oil made into a bar for massage or everyday pampering. Melts on your skin!

- Gift wrapped in a travel tin. Travel tin provides an excellent storage container for the massage bar and a great way to give it as a gift.
- Refills available in cello zip lock bag.
- The cocoa butter used in the bar soaks into skin rapidly providing instant conditioning benefits. It also improves skin’s elasticity, keeping it looking youthful and moisturized.
- The Lavender Vanilla Lotion & Massage Bar is wonderful for pregnant tummy (reduces stretch marks), dry feet and elbows and giving massages!
- The Spearmint Eucalyptus Lotion & Massage Bar is excellent for massaging sore muscles.

**MASSAGE OIL**

Our all-natural massage oil is not only gentle to your skin, but the addition of plant extracts, fine oils, vitamins and essential oils make them a real luxury. Baby (100% natural Lavender & Vanilla essential oil blend) and Coconut Crème blends. Wonderful used as bath oils. 4 oz. shatterproof bottles.

- Grapeseed Oil is one of the primary oils used in our formulation. It is rich in vitamins, minerals and linoleic acid. It glides onto skin very easily, isn’t sticky or too heavy.
- Coconut Crème Massage Oil contains phthalate-free fragrance, reminiscent of tanning oils from the past.

**HYDRATING BODY SPRITZ**

Enhanced with aloe vera to quench sun-kissed skin! Drench your body in fresh fragrances: Pomegranate, Coconut Lime Vanilla, Midnight Orchid, Grapefruit Lily, Pink Champagne or one of our seasonal selections. Available in 4 oz. amber spray bottle or a 5-pack of 2 oz. amber spray bottles (your choice of scents).
Recommendations: Hold sprayer about 6 inches away from skin and spray. Avoid eye contact. Can be used after a shower or bath to lightly moisturize and add fragrance to skin. Use during the day to freshen skin instead of using perfumes. Aloe vera hydrates skin without a greasy finish. Vitamin E softens skin, heals dryness and acts as a preservative in the spritz. Wonderful as a hair detangler! Spray onto wet or dry hair before brushing. Leaves hair soft and conditioned because of the grapeseed oil contained in it.

AROMATHERAPY MISTS

Aromatherapy is the ancient practice of using plant oils psychological and physical wellbeing. Aromatherapy is effective when the aroma is inhaled and when essential oils are applied topically. Our aromatherapy mists can be used as a room spray or body spritz. The oils are a 2-5% dilution rate, depending on the scent. Available in 4 oz. amber spray bottle.

Purifying Tea Tree* – Effective hand cleaner and foot refresher. Purifies your countertops and tubs, too! Tea tree oil is blended with witch hazel, sweet orange oil and ylang ylang.
Lavender Relaxation* – Indulge in the calming power of lavender and natural vanilla. Use as a sleep enhancer at bedtime and “monster” spray for kids.
Balancing Act* – Helps reduce symptoms of PMS and stress. Alleviates depression and calms an anxious mind. Use daily for reducing water retention and hormonal imbalance.

BUG-A-BOO INSECT REPELLENT

Bug a Boo allows you to protect your family with a powerful, kid-friendly bug spray. Formulated with aloe vera juice, Lemongrass, citronella, and catnip essential oil. Bug-A-Boo is effective in repelling most mosquitoes and flies. Apply several times daily for best results. Does not contain DEET, formaldehyde, or pesticides. Offered in 4 oz. shatterproof spray bottle, 2 oz. spray bottle, 16 oz. refill bottle or 2 oz. glide-on stick.

HAND AND BODY LOTION

Lemongrass Spa Products’ Hand & Body Lotion is a versatile lotion formula that can be used every day all over your body! Our lotion comes in a classic eight-ounce plastic decanter with locking pump and 2 oz. travel bottle.

All lotion contains Vitamin E oil, which is the most effective antioxidant, protecting skin from damage from free radicals. It decreases effects of the sun, prevents stretch marks, and promotes wound healing and scarring.

Jojoba oil is highly penetrating and closely resembles our sebum (natural skin oils). It can control excess sebum production in our skin. The oils contain myristic acid, which is anti-inflammatory, which can aid arthritis sufferers.

Sweet almond oil is a great conditioner for eczema, itchy, dry and inflamed skin.

Macerating aloe leaves in oil produces aloe vera. It offers excellent healing properties for sunburn or scrapes.

Lemongrass brand lotion contains about 5% shea butter, for it’s superb moisturizing and healing benefits.

WHIPPED BODY BUTTER

This is the most decadent skin treatment available! Silky-smooth shea butter whipped with apricot kernel oil and vitamin E oil. 100% natural formula. Available in Mandarin Orange* and unscented variety.

It contains approximately 90% shea butter; this is excellent for use as an after-sun moisturizer and a treatment for dry skin. Wonderful for treating burns, scars, stretch marks, scrapes and dry feet.
ULTRA HYDRATING BODY CRÈME

This is the ultimate way to moisturize dry skin! Our rich crème is nut oil free and features aloe vera gel, jojoba and evening primrose oils that won’t wash off easily because they are absorbed quickly into the skin. This is an excellent product for customers who wash their hands frequently.

- Use daily to enrich and smooth your body. 6 oz. jar available in unscented.
- Jojoba oil is highly penetrating and closely resembles our sebum (natural skin oils). It can control excess sebum production in our skin.
- The oils contain myristic acid, which is anti-inflammatory and can aid arthritis sufferers.
- Evening Primrose Oil contains an essential fatty acid called gamma-linolenic acid.
- Aloe Vera heals dry skin.

BODY ICING

Velvety-soft Body Icing will soothe dryness. This creation is a non-greasy, fast-absorbing daily moisturizer formulated with aloe, shea and cupuacu butters for instant hydration. Perfect for sensitive skin; no nut oils, no gluten, no parabens and no synthetic colors. 6 oz. clear jars. Thick, creamy texture, similar to Body Crème but made with no nut oils. It is wonderful for customers allergic to almond oil. Cupuacu (coo-poo-wa-soo) butter comes from the oil inside the seeds of the cupuacu tree in Brazil. This highly sought-after ingredient holds moisture well resulting in extra-hydration during the day. Available in Almond, Lavender Mint, Pink Champagne, Unscented and seasonal scents in 6 oz. clear jars. Also comes in the Body Icing Variety Package containing 6 – 1 oz. jars in a clear gift box with a decorative bow.

PRIVATE RESERVE FOR MEN

Private Reserve Soap – This bar lathers well serving as a shaving cream in the shower or an all over body soap. This soap contains palm, coconut and almond oil to soften dry skin. Private Reserve is phthalate-free fragrance oil, which combines sandalwood and musk essences. Men enjoy this as well as women.

Private Reserve Lotion – This moisturizer will nourish face, hands and body. Excellent for use as an after-shave cream. 8 oz. pump bottle plus 2 oz. travel bottle.

Private Reserve Deodorant – Natural alternative to store-bought brands. Contains no aluminum and no propylene glycol. 2.5 oz oval twist-up dispenser.

Private Reserve Splash (After Shave Spray) – Soften skin with aloe-based Splash. Similar to our Hydrating Body Spritz, this Splash is formulated for men as an alcohol-free alternative to cologne or after-shave.

MEN’S ESSENTIALS

Customized blend of spruce, birch and sandalwood essential oils to keep skin hydrated and supple. Free from synthetic fragrances, PEGs and parabens.

Men’s Essentials 3 in 1 – A 3-in-1 body wash, shampoo and shaving gel. Handcrafted with a moisturizing blend of aloe, moringa, coconut and essential oils. Also available in Unscented. For details on our Body Wash product, refer to Prebiotic Body Wash information above. 8 oz.

After Shave Lotion – A lightweight, non-greasy moisturizer. Helps soothe clean-shaven skin and hands. 8 oz. pump.
Beard Oil- Unscented oil that smoothes, nourishes and tames beards. The handcrafted formula also conditions facial hair and skin, while reducing itchiness or irritations associated with hair growth.
FAMILY CARE

Families deserve to be nurtured with a soft, gentle touch. Our line of baby products will pamper your child with all-natural skin oils and calming lavender essential oil. We believe we’ve found the gentlest, skin softening products available — without mineral oil, colorants or harsh chemicals. Baby scent is made with 100% all-natural Vanilla Oleoresin Essential Oil blend and Lavender Essential Oil (no fragrances, no synthetics).

Baby Lotion – A special blend of sweet almond oil, aloe vera gel and calming lavender and vanilla oleoresin essential oil blend to smooth baby’s skin. Sold in a convenient plastic pump decanter for easy dispensing. 8 oz. pump bottle plus 2 oz. travel bottle.

Baby Blend Prebiotic Wash – Our wash with lavender and vanilla oleoresin essential oil blend is formulated without harsh chemicals or detergents. 8 oz. pump bottle. The baby wash is not a ‘tear-free’ product. Avoid eye area if possible.

Baby Massage Oil – Our fantastic massage oil is also available for babies. Perfect for massage, or all-over gentle moisturizing. Contains massage oil base plus lavender and vanilla oleoresin essential oil blend. 4 oz. plastic shatterproof bottle.

Healing Elements – Versatile balm can be used for everyone at any age!

- Petroleum-free balm contains lavender essential oil blend for healing powers.
- Zinc oxide, the #1 pediatrician recommended active ingredient, is included to eliminate rashes and soothe itchy skin.
- Calendula and Roman Chamomile oils added to reduce redness, inflammation and itchy conditions.
- Apply to Burns, insect bites, scrapes and injuries for quick healing.
- Offered in three sizes: 0.75 oz. glide on stick, 2 oz. jar or a family-sized 6 oz. jar. 2 oz. and 6 oz. jar includes a cosmetic spatula for clean and easy applications.

Nursing Balm - All-natural balm to help protect and soothe sore, chapped or dry nipples from breastfeeding. Petroleum-free, fragrance-free

Recovery Balm - Features a blend of clove, arnica, cardamom and cinnamon, which are known for their relieving and comforting properties. Massage a small amount onto sore muscles and joints. Glides on easily with the moisturizing blend of avocado and olive oil allowing essential oils to penetrate quickly. Available in a convenient 0.75 oz. glide on stick or a family-sized 6 oz. jar.

Soothing Balm - Features a proprietary blend of peppermint and menthol essential oils known for their uplifting and refreshing properties. Directly inhale or apply on chest, throat or head for soothing benefits. Convenient Glide-on stick with a special blend of avocado and olive oil allows essential oils to absorb easily. Available in a convenient 0.75 oz. glide on stick or a family-sized 6 oz. jar.

FOOT PAMPERING PRODUCTS

Lemongrass offers two foot-care systems to invigorate sore, tired feet and legs. Choose from our Original Herbal or Cucumber Foot Fetish Kits. Items can be purchased individually or as a kit. Consultants may order Refill Bags of the Foot Soak or Foot Scrub in order to accommodate large groups at spa parties and refill their display jars affordably.

HERBAL FOOT FETISH KIT

Step 1: Herbal Foot Soak* – Epsom salts, herbs and peppermint essential oil provide a luxurious foot soak. Aids in soothing, relaxing, and softening tired feet! 8 oz. jar.

- Contains Epsom salts which have been used for centuries for swollen, injured or tired feet.
- Use 1-2 tablespoons in small tub of warm water to soften and relax feet. The botanicals and oils deodorize and soften feet.
- Epsom salts contain magnesium and calcium in them, which helps draw inflammation out of the muscles, joints, and aids in improved circulation.

Step 2: Walnut Foot Scrub* – Contains walnut hulls, sea salt, peppermint, lemon and orange peels to exfoliate and cleanse. Apply to wet feet and rub heels and toes. You’ll love the smell and the way it smoothes away rough skin. 8 oz.
Lemon Grass Spa Products, LLC

The walnut hulls are ground to a fine grain. Combined with sea salt, the walnut hulls exfoliate dry heels. Most people say that the scrub feels like soft beach sand.

The peppermint oil deodorizes feet and may cause a tingle sensation for some customers.

Use 1 teaspoon to 1 tablespoon per foot and gently rub heels and toes. Best when used on wet feet. Rinse well and towel dry.

Step 3: Peppermint Foot Balm* – Soothing blend of specialty oils, vitamin E, and peppermint essential oils. Helps prevent and soothe cracked heels. Apply at bedtime for overnight healing. 4 oz. jar yields about 36 treatments.

- Apply to dry feet, massaging into heels and toes. Best used at bedtime—apply to feet; then wear white cotton socks to avoid getting sheets oily and for optimum moisturizing benefit.
- The olive oil is great for inflamed skin and rheumatic conditions.
- Peppermint stimulates circulation and deodorizes feet.
- This balm is a great rub for sore muscles too!

Complete Foot Fetish Kit* – Three part foot care regime to pamper your feet! Includes Herbal Foot Soak, Walnut Foot Scrub, Peppermint Foot Balm, soft, white, cotton towel plus a foot brush with pumice. Comes in clear vinyl travel bag ready to give or keep for you! Soak and scrub yield 8-12 uses.

CUCUMBER FOOT FETISH KIT

Step 1: Cucumber Foot Soak – Formulated with Epsom salts, calendula extract, tea tree essential oil and cucumber extract to reduce swollen feet and soften dry heels. 8 oz. jar.

- Contains Epsom salts which have been used for centuries for swollen, injured or tired feet.
- Use 1-2 tablespoons in small tub of warm water to soften and relax feet.
- The botanical (ground parsley) and oil (castor) deodorize and soften feet.
- Epsom salts have magnesium in them and this helps draw inflammation out of the muscles, joints, etc.
- Tea tree oil is a natural astringent and antiseptic. Calendula extract softens and tones skin. Cucumber extract reduces swollen skin tissue.

Step 2: Cucumber Foot Scrub – Sea salt, kaolin clay and poppy seeds exfoliate and condition your feet. Apply to wet feet and rub into toes and heels. 8 oz. jar.

- The sea salt base, pumice and poppy seeds are combined with sunflower oil to create an exfoliating treatment.
- Kaolin clay contains natural minerals to draw impurities from skin and draws toxins from the body.
- Pumice and poppy seeds offer exfoliation properties to remove dry, dead, rough skin from heels.

- Apply at bedtime for overnight healing.
- 4 oz. glass jars. Yields 36 treatments – a great value!
- Fresh cucumber essences will linger for hours!
- Cucumber extract to help reduce swollen skin tissue.

Cucumber Foot Fetish Kit. – Three part foot care regime to pamper your feet! Includes Cucumber Foot Soak, Foot Scrub, Cucumber Foot Crème, soft, white, cotton towel plus a foot brush with pumice. Comes in clear vinyl travel bag ready to give or keep for you! Soak and scrub yield 8-12 uses!
SLUMBER PARTY SETS, GIFT SETS, AND SPA GETAWAY SETS

Refer to the catalog for details on each gift set.

SUNSCREEN SKIN CARE

Natural blend of skin hydrators and broad spectrum UVA/UVB sunscreen offers safe sun protection while keeping your skin moisturized. Features non-nano* zinc oxide and titanium dioxide. Those minerals create physical barriers between your skin and the sun.

*Non-nano means that the minerals are not micronized (reduced in size chemically) and will not enter the blood stream through the skin.

The Environmental Working Group’s Skin Deep website suggests using zinc oxide or titanium dioxide for broad-spectrum protection.

Sport Stick SPF 30 – Target your sunscreen coverage with this special formulation of mango butter, shea butter and beeswax to protect skin from the elements. 100% all-natural ingredients. Unscented or All-Natural Tinted Vanilla in 1 oz. clear, push tubes. Excellent for traveling; ideal for skiers, outdoorsmen and for use on children.

The Skin Deep website offers the following recommendations regarding sunscreen use:

♦ AVOID sunscreens with oxybenzone or benzophenome-3 (hormone disruptors, absorb into skin, cause allergies).
♦ AVOID spray and powder sunscreens (inhaling them poses extra risks) or sunscreens with pesticides/bug repellents (pesticides absorb into your body easier with these products).

Lemongrass Spa’s sunscreen has been tested by an accredited independent laboratory. The lab is registered with and is inspected by the FDA, EPA and the USDA. The company is a member of the International Society of Bioengineering and the Skin (ISBS), the Society of Cosmetic Chemists (SCC), American Academy of Dermatology (ADD) and the American Academy of Dermatology (ADD), among others. Photobiology SPF (Sun Protection Factor) tests on humans were performed using an Arc Solar Simulator (artificial light source) that simulates UVA-UVB spectrum light. This is the standard protocol for sunscreen testing in the United States as per the FDA guidelines proposed in 2007. The Lip Balm Sunscreen was given a mean 6.24 SPF value and the Sport Stick in a push tube was given a mean 31.26 SPF value upon human evaluation.

BOTANICAL SHAMPOO & CONDITIONER

Made with an invigorating blend of essential oils and moisturizers to condition and cleanse hair gently. No sodium laurel sulfate, parabens, propylene glycol or alcohol. Shampoo & conditioner sold individually in 2 oz., 8 oz. or 16 oz. bottles or in pairs.

Shampoo – A nourishing blend of aloe vera gel, coconut oil olefin, coconut oil betaine, lemon extract, avocado oil, palmitate, citric acid, tocopherol, sodium benzoate, glucono lactone, grapefruit seed extract. Essential oils of juniper, cypress, cedarwood, frankincense, neroli, jasmine, rosemary, geranium, rose, sandalwood, lavender, basil, chamomile, and cardamon.

Conditioner – A moisturizing blend of aloe vera gel, vegetable oil quaternary, cellulose gum. Coconut oil hydroxyl, vegetable glycerin, lemon extract, palmitate, citric acid, tocopherol, grapefruit seed extract. Essential oil blend of lavender, clary sage, frankincense, myrrh, neroli, jasmine, rosemary, bergamot, and cypress.

Deep Conditioner - Contains a high content of Shea Butter for extra hydration and has a thicker texture. A deep moisturizing blend of aloe vera gel, vegetable oil quaternary, cellulose gum, coconut oil hydroxyl, organic shea butter, vegetable glycerin, virgin organic argan oil, lemon extract, palmitate, citric acid, (tocopherol) vitamin E oil, Grapefruit Seed Extract. Essential oil blend of bergamont, cypress, lavender, clary sage, frankincense, myrrh, neroli, jasmine and rosemary.
For best results using the shampoo, wet hair, add a tablespoon of shampoo to hair, lather, rinse and repeat. Then condition hair with about a tablespoon of conditioner, leave in your hair for at least a minute, then rinse with water. After a few days of use, many customers have noticed shinier, healthier hair and scalps due to the rich aloe vera and coconut oils contained in the products.

**HAIR SPRAY**

100% all-natural formula with Flax Seed oil for extra softness and shine. Contains herbal extracts plus Panthenol (Vitamin B-5) for extra hydration. No alcohol, no propellants. Available in travel sized 2 oz. bottle and regular size 8 oz.

**SHEER MINERALS MAKEUP**

Mineral Makeup Primer – Dual-purpose formula prepares skin for flawless makeup application by creating a smooth, silky surface. Enriched with vitamin E, C, green tea and resveratrol for hydrating and antioxidant benefits. Apply before mineral makeup application.

- Resveratrol is a Wine derived antioxidant found to have anti-aging benefits, fights oxidative damage to cells, and Anti-inflammatory properties. Studies show Resveratrol reverses effects of and protects from UV damage and reduces acne.

**BB Crème** – The healing and repairing properties of avocado oil and fine line plumping effects of peptides are combined in our skin brightening “Beauty Balm” formula. Velvet-smooth foundation features a unique, tone-adapting formula and offers SPF 15 protection. All colors will blend naturally to skin’s pink or yellow undertones. Compatible with normal, dry and oily skin types. No PEGs, GMOs, fragrance, parabens or synthetic color. Available in Light, Medium, Tan, Dark and Deep.

**Concealing Sticks** – Cream-to-powder formula applies easily to conceal blemishes, age spots and under-eye circles. Creamy texture blends easily into skin. Apply before mineral foundation.

**Strobe Stick** - Highlight and define areas on your face for a dewy, radiating finish. Apply to the points of the face where light would naturally hit - along your cheekbones, under eyes, brow bones, the bridge of your nose and your cupid’s bow.

**Neutral** - is a beige tint for medium to tan skin tones; covers blemishes and age spots.

**Lighten Up** - is a pastel pink tint for light to medium skin tones. Perfect for highlighting eyes, concealing blemishes or brightening skin.

**Green Corrector** - reduces redness, splotchy patches or rosacea.

**Organic Makeup Remover** – Organic blend of avocado fruit oil, grape seed, argan oil, apricot kernel oil and jojoba oil is packed with antioxidants. Use a few drops of this organic oil to remove makeup around eyes with a cotton ball or cloth. No need to remove excess oil after makeup is removed; simply let oil soak into skin overnight allowing it to replenish the skin with nutrients and reduce the appearance of fine lines.

**Foundations** – Breathable non-clogging loose mineral makeup is talc-free, chemical-free and dye-free. Offers physical sunblock of 15-20 SPF. Available in many colors to match any skin tone.

**Blushes** – Breathable non-clogging loose mineral makeup is talc-free, chemical-free and dye-free. Brighten and
enhance your natural beauty with blush or bronzing colors. Apply to cheeks for definition or brush lightly over entire face for a warm glow. Available in 4 blush and 3 bronzing colors.

Contour Powder - Shape and define features with this matte powder.

Cover Ups – Breathable, non-clogging loose mineral makeup is talc-free, chemical-free and dye-free. Apply to dark circles, blemishes or uneven skin tone before applying mineral foundation. Matte finish absorbs oil. Light Cover Up is a pale shade from light skin tones. Medium Cover Up is a neutral shade for most Caucasian skin types.

Veils – Breathable, non-clogging loose mineral makeup is talc-free, chemical-free, dye-free. Oil-absorbing base to be applied before or after foundation and anytime you need to reduce shine. Available in Matte or Pink. Pink has a translucent base with a hint of pink.

Eye Shadows – Breathable, non-clogging loose mineral makeup is talc-free, chemical-free and dye-free. Powders glide on effortlessly and blend easily. Available in 20 colors.

Mineral Setting Spray – Hydrate skin after Sheer Minerals Makeup application. Restores glow to skin with antioxidant properties of acai and green tea and soothing neroli essential oil (from orange blossoms). Mist onto face and neck. Use to refresh look throughout the day.

Organic Crème Lipstick – Our creamy lip color offers full pigment coverage and nourishing moisture. Enhanced with organic omega fatty acids and shea butter, this lipstick leaves your lips supple and smooth. Add volume, contour and definition with these long lasting shades.

♦ Bare Champagne is a light, beige, nude frost for that “just at the beach”, sun swept look with all the moisture you’ll need. Frost finish.
♦ Cocoa Berry is a neutral brownish plum shade. Make a dramatic entrance with this rich, warm and inviting color. Stunning on dark, warm or olive skin tones. Satin finish.
♦ Siren is a true, vibrant, fire-engine red with blue undertones. Full-on glamour! Dare to be adventurous. Satin finish.
♦ Moonlit Mauve is a creamy rose color with a hit of raspberry. Great shade for all-day wear at the office or out to play at night. Brings out the best for those with cool skin tones. Frost finish.
♦ Princess Pearl is a frosted, dusty, light rose to brighten your look. Fresh, young and full of dazzle!
♦ Merlot enhances the natural color of your lips without taking over the scene. It is a creamy matte that looks good all by its self or glossed up with most of our organic glosses!
♦ Persimmon is a satin finish with an orange-red hue.
♦ Sangria is a satin finish with a bright berry hue.

Organic Lip Gloss – This satiny lip gloss contains a healthy infusion of pure minerals, cocoa butter and Vitamin E to hydrate and protect. Organic oils and jojoba oil deliver protective antioxidants and superior shine. The trailing scent of natural vanilla makes lips even more kissable. Petrochemical free, dye-free and paraben-free. Offered in many tempting colors for any look.

♦ Pink Satin is a true pink with blue undertones. A perfectly pouty pink with enough color to add glamour, yet sheer enough to be soft, young looking and natural. Especially sassy on cool skin tones. Shimmer finish.
♦ Sugar Plum has a shimmer finish. Muted plum collides with a sugarcolloting to create a finished, glossy, professional look.
♦ Peach Dream is a sheer, peach, nude shade for just a touch of color and a very light shimmer. Complements warm skin tones.
♦ Perfect Pout is warmest golden pink that shimmers in the sunlight. Glossy shine that lasts and lasts.
♦ Plum Spice is a warm, elegant wine color with a satin finish. Goes easily from the boardroom to the ballroom.
Complements warm skin tones.
♦ Beach Babe Glossy is a muted, neutral, violaceous mauve with a matte finish.
♦ Stardust is a shiny, clear gloss with shimmer.
♦ Red Hot is a shiny red gloss with a hint of shimmer.

**Natural Lip Liner** – Creamy Matte, B-5 and essential fatty acids vitamin-enriched color. **No lead, no parabens, no nano-particles, no synthetic colors.**
♦ Cool Blush is a neutral, cool pink.
♦ Neutral Garnett is a warm, neutral earth tone.
♦ Warm Cinnamon is a warm brown with a hint of red undertone.

**Eye Liner Pencil** – Soft vitamin-enriched eye liner with a creamy core goes on smooth without pulling at the delicate skin around eyes. Points sharpen easily. Pro-vitamin B5 nourishes and prevents flaking. Made with natural mineral pigments. No nano-particles, parabens, lead, or synthetics. Available in Black or Brown.

**Blending Sponge** - Flawlessly applies makeup for a professional, finished look. Great for creating a full coverage base, contouring or layering cheek colors. Washable and latex-free.
FREQUENTLY ASKED QUESTIONS

**Question:** How long will the bars of soap last?
**Answer:** They can last 2-3 months if used one time per day in the shower and most importantly, if you have it on a soap dish with drainage holes or other item where the water can drain. If your soap is sitting in a pool of water, it will dissolve much more quickly.

**Question:** As a consultant, should I keep all my soaps open and together or will the different scents start to bleed into one another?
**Answer:** It is a good idea to place your bar soap that you plan to use for your spa parties in plastic bags so that they don’t start to smell like one another. Keep the label around each bar so your customers can easily read the labels.

**Question:** All of the bath crystals are safe for young children except the Candy Cane Bath Crystals. Why is it that you don’t recommend utilizing the Candy Cane Bath Crystals for children under the age of three?
**Answer:** These bath crystals have peppermint essential oil, which can speed up the heart rate and that, is why there is an age recommendation with this product. However, with using essential oils, concentration is the most important aspect of using them. A low concentration of Peppermint Essential Oil diluted in a bath or a home humidifier is not unhealthy for a young child used on occasion.

**Question:** The Lavender Vanilla Massage Bar in Tin is recommended for pregnant bellies to help with stretch marks and related itchy skin. Why is this product so helpful for pregnant tummies?
**Answer:** There is high quality cocoa butter in this lotion and if used at least twice a day, it is extremely helpful for this purpose.

**Question:** Why is the Spearmint Lotion Bar in Tin not recommended for pregnant bellies?
**Answer:** The essential oils in this lotion include spearmint and can speed up a heart rate so it is not recommended for use while pregnant since what is put on your skin is absorbed into your bloodstream.

**Question:** What is aromatherapy?
**Answer:** “Aromatherapy is the practice of using volatile plant oils, including essential oils, for psychological and physical well-being.” Source: [www.aromaweb.com](http://www.aromaweb.com)

(A simple example of utilizing aromatherapy benefits would be that if you have a stomachache, you could drink and smell chamomile tea to soothe your stomach pain. In addition, putting lotion on your skin that contains chamomile will also have the same benefits because anything that is put on your skin goes into your bloodstream. — paraphrased from Lisa Darien, Herbalist)

**Question:** What are essential oils?
**Answer:** “Essential oils contain the true essence of the plant it was derived from. Essential oils are highly concentrated and a little goes a long way.” Source: [www.aromaweb.com](http://www.aromaweb.com)

(Therefore, essential oils have healing properties of the plant they were taken from such as lavender essential oil). For more information visit Lemongrass University.

**Question:** How long will jars of body polish last?
**Answer:** If you utilize it all over your body each time, it will allow for eight to twelve uses. However, if you just utilize it for your feet only or hands only, it will last quite a long time. Hint: You can tell your clients that if they don’t have time to take a longer shower and utilize the body polish in the shower, it is great to keep a jar by the kitchen sink and treat their hands to a body polish as often as they like since this only takes about two minutes. FYI: a body polish treatment at a spa is usually called a ‘sea salt glow’.
Question: Are there any other uses for the Massage Oil other than massages?
Answer: This is a great oil to add to your bath if you have extremely dry skin. In addition, you can rub the oil on your skin after showering (before toweling off) to retain moisture.

Question: At spa parties, customers will often ask, “Which hand lotion/crème is the most moisturizing for my dry skin?”
Answer: The most emollient products are listed below:
   ♦ Ultra Hydrating Body Crème and Body Icing: a rich crème that instantly absorbs. No strong scent so this is a great product for men/women/children. Features aloe, jojoba, and a variety of vegetarian oils to provide instant hydration.
   ♦ Whipped Body Butter: a creamier consistency due to being whipped. Excellent moisturizer and contains more shea butter than any other Lemongrass product. Great for dry feet, elbows, and dry skin patches. Contains healing Vitamin E Oil. Has a Mandarin Orange* scent or available unscented.
Bottom Line: Be sure to let customers know that everyone’s skin type is different so it is best to TRY them to see what they will prefer.

Question: What exactly are the health benefits of rock salt in the bath crystals?
Answer: Salt baths are especially potent because the aromatherapy benefits of the essential oils are able to seep into the skin pores when combined with the salt and the hot water.

Question: At what age is it safe to utilize the bath crystals in a bath for a baby?
Answer: Parents may want to check with their Pediatricians, but we suggest waiting until six to eight months of age. It is a good idea to let the rock salt dissolve first so it isn’t uncomfortable for them to sit on. The Lavender Bath Crystals work well for a calming effect before naptime or bedtime.

Question: Can you utilize the Herbal Foot Soak or Cucumber Foot Soak in an electric foot soak/massager?
Answer: Yes, it works well.

Question: Does the Nail Balm help to strengthen my nails in addition to moisturizing and repairing my cuticles?
Answer: Yes, it can strengthen nails if utilized regularly. Hint: You may recommend that customers to keep the Nail Balm next to their toothbrush and to utilize it twice a day, after they brush their teeth.

Question: If a customer tells me that they have lots of allergies and they want to know which product they should use, what is an appropriate response?
Answer: The best thing to do is to ask the client, “Do you know exactly which ingredients you are allergic to? Has a doctor identified this for you?” If they can list an ingredient or two for you, then you can help them find products that do not contain those ingredients. However, keep in mind that as consultants, we are not doctors and cannot give medical advice on skin allergies or conditions.

Question: How much of the Bath Crystals should be utilized in a bathtub.
Answer: Typically, people like to utilize 2-3 Tablespoons of bath crystals in a tub, but this is really up to personal preference. It depends on how much water they put in their tub and how fragrant they enjoy their bath. For some, one tablespoon will be more than enough.

Question: Why are the Grapefruit Lily bath crystals colored and the others are not?
Answer: Lemongrass Spa Products utilizes only safe plant-derived dyes in the Grapefruit Lily Bath Crystals. The other crystals (Candy Cane, Coconut Lime Vanilla, Lavender) do not contain any dyes. Some customers like the look of the colored bath crystals and others prefer no color so both are offered. Lemongrass does not use any FC&C or ‘lake’ artificial colorants in any products.
Question: If a customer wants to know which cream is best for psoriasis or eczema, which one do you recommend?
Answer: Some of our customers have found relief from these skin conditions with the Ultra Hydrating Body Crème, Whipped Body Butter, Healing Elements Balm, or Nail Balm. However, keep in mind that as consultants, we are not doctors and cannot give medical advice on skin allergies or conditions. We can, however, offer our natural products as alternatives to prescription medications and crèmes as well as share personal testimonials on the effectiveness of any given product.

Question: A customer saw my 16-ounce refill bag of the Herbal Foot Soak and Walnut Foot Scrub and wants to purchase these products in this size. Is that possible?
Answer: The refill bags of these two products, as well as the Cucumber Foot Soak and Cucumber Foot Scrub, are only available to our consultants and aren’t labeled for resale.

Question: Can women with artificial nails utilize the Nail Balm?
Answer: Yes, this works well with nail polish on nails and artificial nails without any problems.

Question: Are any of the products not recommended for sensitive skin or extremely dry skin?
Answer: Advise clients with exceptionally dry skin to avoid the Tea Tree Face Soap. Instead, we recommend the Lavender with Goat’s Milk Face Soap or the Oatmeal Milk & Honey Soap for them.

Question: A client asked: “Can I utilize the body polish on my face?”
Answer: Customers may use the body polish on the face successfully. But the granules of the sugar crystals could cause tiny tears in the skin and that is why we recommend the Facial Polishes, which feature softer jojoba beads (Pomegranate). Or the Microdermabrasion Crème for a deeper exfoliation, which features volcanic microcrystals. The facial polishes and Microdermabrasion Crème are excellent for improving facial skin tone and texture.

Question: Of the soaps, which ones have exfoliating properties?
Answer: The Lavender with Goat’s Milk Face Soap has lavender petals in it that are exfoliating and the Oatmeal Milk & Honey Soap has ground gluten free oatmeal in it that is exfoliating. Lemongrass Signature Soap has calendula petals, which are exfoliating. The Spearmint Eucalyptus Soap contains spearmint leaves, which tend to be exfoliating as well.

Question: What is one of the best selling points of the Lemongrass hand and body lotions?
Answer: It is extremely difficult to find lotions free of harsh chemicals in retail stores or from other bath, body and spa products companies. Lemongrass utilizes excellent natural moisturizers such as shea butter, aloe vera gel, almond oil and other emollient ingredients. In addition, our lotion soaks into the skin very quickly offering a dry, silky finish. Because the lotion actually heals skin instead of simply applying a layer of oil, customers can use less of the product at each application. Most customers find that they can apply the Lemongrass lotion to their skin just once or twice daily with excellent results.

Question: After reading through the consultant manual two or more times, I am struck by how much there is to know about all the natural ingredients. How much of this should I have memorized and explain to my guests at a spa show?
Answer: It is helpful to have some brief information on a dozen or so products at your first parties. Choose your favorites and feature them first. Don’t feel that you need to discuss each and every ingredient and their attributes because that would be too much information. Heidi Leist’s Tip: Use the Party in a Bag Game that includes selling points of the products contained in your Consultant Success Kit. Another tip: gauge your audience and avoid giving them an overload of information if they really just want to enjoy the scents of the products. However, if your group is asking lots of detailed questions, then feel free to go into detail.

Question: I would like to be organized the night before a show and have my car loaded with all the foot tubs, products, etc. and parked in my garage. Is it safe for the products to be in my cold garage overnight?
Answer: It depends on the temperature of your garage. The products are best stored at temperatures between 55 – 90
degrees. If products freeze, bring them up to room temperature, shake well if applicable, and use as directed. Our products are effective even if they have been frozen.

**Question:** How do I guide my customers in using our Radiant Face Care line of products if I am inexperienced myself in facial care?

**Answer:** The Home Office has provided educational tools for consultants regarding the face care products. Refer to the Radiant Face Care Chart (print and pass out at spa parties), listen to the Audio Files on the [Lemongrass University](https://www.lemongrass.com) for facial care training and refer to the corresponding training files.

**Question:** What chemicals in skin care products should I advise my customers to avoid in other skin care product lines?

**Answer:** The Home Office has provided educational tools for consultants regarding the harmful chemicals used in everyday skin care, shampoos, detergents and home products. Refer to the audio file on the Lemongrass University page of your site entitled “Just Say No to Parabens and Say Yes to Pomegranate” for an in depth discussion of chemicals. Refer to the corresponding training file on the Downloads section of the website for a printed list of chemicals to avoid. Consultants may also refer to the Environmental Working Group’s website, [www.ewg.org](http://www.ewg.org) for detailed information on harmful skin care products in the industry.
## Appendix A
### Product Ingredients List

#### Bar Soap

**Oatmeal Milk & Honey Hand & Body Soap:** (Elaeis Guineensis) Palm Oil, (Cocos Nucifera) Coconut Oil, Apricot Oil, Jojoba Oil, Distilled Water, Goat’s Milk, Ground Oatmeal (gluten free) and Phthalate-free Fragrance.

**Spearmint Eucalyptus Soap:** (Elaeis Guineensis) Palm Oil, (Cocos Nucifera) Coconut Oil, Apricot Oil, Jojoba Oil, Distilled Water, Spearmint Leaves, Spearmint Essential Oil, natural colorant, Eucalyptus Essential Oil.

**Lavender Goat’s Milk Soap:** (Elaeis Guineensis) Palm Oil, (Cocos Nucifera) Coconut Oil, Goat’s Milk, (Vitis Vinifera) Grapeseed Oil, (Prunus Amygdalus Dulcis) Almond Oil, (Prunus Armeniaca) Apricot Kernel Oil, (Simmondsia Chinensis) Jojoba Oil, (Urtica Dioica) Nettles infused in distilled water, Lavendula Angustifolia Lavendar Flowers, Alkanet (for color), (Lavandula Officinalis) Lavender Essential Oil.

**Private Reserve Hand & Body Soap:** (Elaeis Guineensis) Palm Oil, (Cocos Nucifera) Coconut Oil, (Vitis Vinifera) Grapeseed Oil, (Prunus Amygdalus Dulcis) Sweet Almond Oil, Distilled Water, Nutmeg (for color), Phthalate-free Fragrance.

**Tea Tree Face Soap:** (Elaeis Guineensis) Palm Oil, (Cocos Nucifera) Coconut Oil, Purified Water, Grapeseed Oil, (Prunus Amygdalus) Almond Oil, (Kaolinite) Kaolin Clay and (Melaleuca Alternifolia) Tea Tree Essential Oil.

**Midnight Orchid Hand & Body Soap:** elaeis guineensis (palm) oil, aqua (water), cocos nucifera (coconut) oil, prunus armeniaca (apricot) kernel oil, simmondsia chinensis (jojoba) seed oil, vegetable glycerin, phthalate-free fragrance, mica, titanium dioxide

**Detoxifying Charcoal Face Soap:** elaeis guineensis (palm) oil, cocos nucifera (coconut) oil, ricinus communis (castor) oil, olea europaea (olive) oil, aqua (water), activated charcoal (coconut), bentonite clay, mentha spicata* (spearmint) oil, cymbopogon schoenanthus* (lemongrass) essential oil *certified organic

### Prebiotic Body Wash

**Almond and Pomegranate:** Water, Coconut Oil, Aloe Vera, Sea Salt, Kelp, Citric Acid, Glycerin (plant derived), Phthalate-free Fragrance.

**Lavender Mint:** Water, Coconut Oil, Aloe Vera, Sea Salt, Kelp, Citric Acid, Glycerin (plant derived), Essential Oil Blend of Lavender and Peppermint.

**Spearmint Eucalyptus:** Water, Coconut Oil, Aloe Vera, Sea Salt, Kelp, Citric Acid, Glycerin (plant derived), Essential Oil Blend of Spearmint and Eucalyptus.

**Unscented Organic Body Wash:** Water, Coconut Oil, Aloe Vera, Sea Salt, Kelp, Citric Acid, Glycerin (plant derived).

**Baby Blend:** Water, Coconut Oil, Aloe Vera, Sea Salt, Kelp, Citric Acid, Glycerin (plant derived), Lavender Essential Oil, Natural Vanilla Essential Oil Blend.

**Midnight Orchid:** aqua (water), cocos nucifera (coconut) oil, aloe barbadensis (aloe vera) gel, sea salt, algin (kelp), citric acid, glycerin, phthalate-free fragrance.
3-in-1 Wash

**Men’s Essentials:** aqua (water), cocos nucifera (coconut) oil, aloe barbadensis (aloe vera) gel, sea salt, algin (kelp), citric acid, glycerin, moringa oleifera (moringa) oil, saltantalum spicatum* (sandlewood) essential oil, picea mariana (spruce) essential oil, eucalyptus raditata* (eucalyptus) essential oil, cupressus sempervirens* (cypress) essential oil, cedrus atlantica* (ceder) essential oil, betula lenta (birch) essential oil, bursera graveolens (palo santo) oil *certified organic.

**Unscented:** aqua (water), cocos nucifera (coconut) oil, aloe barbadensis (aloe vera) gel, sea salt, algin (kelp), citric acid, glycerin, moringa oleifera (moringa) oil

**Prebiotic Hand Wash**

**Lavender Mint:** aqua (water), cocos nucifera (coconut) oil, aloe barbadensis (aloe vera) gel, sea salt, algin (kelp), citric acid, glycerin, simmondsia chinensis (jojoba) oil, lavandula angustifolia* (lavender) essential oil, mentha piperita* (peppermint) essential oil *certified organic

**Mandarin Orange:** aqua (water), cocos nucifera (coconut) oil, aloe barbadensis (aloe vera) gel, sea salt, algin (kelp), citric acid, glycerin, simmondsia chinensis (jojoba) oil, citrus sinensis* (sweet orange) essential oil, citrus paradisi* (pink grapefruit) essential oil, cymbopogon flexuosus* (lemongrass) essential oil, melaleuca alternifolia* (tea tree) essential oil *certified organic

**Tea Tree with Citrus:** aqua (water), cocos nucifera (coconut) oil, aloe barbadensis (aloe vera) gel, sea salt, algin (kelp), citric acid, glycerin, simmondsia chinensis (jojoba) oil, citrus sinensis* (sweet orange) essential oil, citrus paradisi* (pink grapefruit) essential oil, cymbopogon flexuosus* (lemongrass) essential oil, melaleuca alternifolia* (tea tree) essential oil *certified organic

**Almond:** aqua (water), cocos nucifera (coconut) oil, aloe barbadensis (aloe vera) gel, sea salt, algin (kelp), citric acid, glycerin, simmondsia chinensis (jojoba) oil, phthalate-free fragrance

**Unscented:** aqua (water), cocos nucifera (coconut) oil, aloe barbadensis (aloe vera) gel, sea salt, algin (kelp), citric acid, glycerin, simmondsia chinensis (jojoba) oil

**Original Foaming Liquid Soap**

**Pomegranate Liquid Soap:** water, (cocos nucifera) coconut oil, castor oil, potassium hydroxide, (olea europaea) olive oil, phthalate-free fragrance, (sodium borate) Borax, honey, pomegranate extract.

**Coconut Lime Vanilla Liquid Soap:** Water, (Cocos nucifera) Coconut Oil, Castor Oil, Potassium Hydroxide, (Olea Europaea) Olive Oil, (Sodium Borate) Borax, Honey, Phthalate-Free Fragrance.

**Spearmint Eucalyptus Liquid Soap:** Water, (Cocos nucifera) Coconut Oil, Castor Oil, Potassium Hydroxide, (Olea Europaea) Olive Oil, (Sodium Borate) Borax, Honey, Spearmint and Eucalyptus essential oils.

**Body Polish**

**Almond Body Polish:** (Sucrose) White Sugar, (Prunus Amygdalus Dulcis) Sweet Almond Oil, (Cocos Nucifera), Coconut Oil, Olive Oil, (Mangifera Indica Seed) Mango Butter, Whole Grain Oatmeal (gluten free), Brown Sugar, Honey, Phthalate-Free Fragrance Oil, (Vitis Vinifera) Grapefruit Seed Extract, (Tocopherol) Vitamin E Oil.

**Coconut Lime Vanilla:** (Sucrose) White Sugar, (Prunus Amygdalus Dulcis) Sweet Almond Oil, (Cocos Nucifera), (Prunus Armeniaca) Apricot Kernel Oil, (Mangifera Indica Seed) Mango Butter, Coconut Oil, Honey Powder, Lemon Peel Powder, Jojoba Oil, Vitamin E Oil, Phthalate-Free Fragrance Oil.

**Lavender Mint:** (100% all-natural) (Sodium Chloride) Sea Salt, (Olea Europaea) Olive Oil, (Prunus Amygdalus Dulcis) Almond Oil, (Prunus Armeniaca) Apricot Kernel Oil, (Lavandula Angustifolia) Lavendar Flowers, (Mentha Piperita) Peppermint Leaf, (Mentha

Mandarin Orange: Sugar, Apricot Kernel Oil, Coconut Oil, Mango Butter, Jojoba Oil, Honey Powder, essential oil blend of Mandarin Orange, Blood Orange, Lime and Vanilla Absolute, Vitamin E Oil, Grapefruit Seed Extract

Pink Champagne: sucrose (sugar), prunus amygdalus dulcis (sweet almond) oil, magnerica indica (mango) butter, prunus armeniaca (apricot) kernel oil, cocos nuicera (coconut) oil, simmondsia chinensi (jojoba) oil, honey powder, fragrance (phthalate-free fragrance), citrus grandis (grapefruit) seed extract, tocopherol (vitamin E) oil, mica

Pomegranate: White Sugar, Sweet Almond Oil, Apricot Kernel Oil, Mango Butter, Coconut Oil, Powdered Sugar, Raspberry Seed Oil, Raspberry Fruit Fiber, Pomegranate Seed Extract, Phthalate-free Fragrance Oil, Grapefruit Seed Extract, Vitamin E Oil, Natural Colorant.

Pink Grapefruit: (Sucrose) White Sugar, (Prunus Amygdalus Dulcis) Sweet Almond Oil, (Cocos Nucifera), Coconut Oil, (Prunus Armeniaca) Apricot Kernal Oil, (Magifera Indica Seed) Mango Butter, (Simmondsia Chinensis) Jojoba Seed Oil, Honey, Phthalate-free Fragrance Oil, (Vitis Vinifera) Grapefruit Seed Extract, (Tocopherol) Vitamin E Oil, Mica (for color).

Midnight Orchid: sucrose (sugar), prunus amygdalus dulcis (sweet almond) oil, magnerica indica (mango) butter, prunus armeniaca (apricot) kernel oil, cocos nuicera (coconut) oil, simmondsia chinensi (jojoba) oil, honey powder, phthalate-free fragrance, mica for colorant, citrus grandis (grapefruit) seed extract, tocopherol (vitamin E) oil.

Unscented: (100% natural ingredients)(Sucrose) White Sugar, (Prunus Amygdalus Dulcis) Sweet Almond Oil, (Cocos Nucifera), Coconut Oil, (Prunus Armeniaca) Apricot Kernel Oil, (Magifera Indica Seed) Mango Butter, (Simmondsia Chinensis) Jojoba Seed Oil, Honey, (Vitis Vinifera) Grapefruit Seed Extract, (Tocopherol) Vitamin E Oil.

Bath Crystals

Candy Cane Bath Crystals: (Sodium Chloride) Rock Salt, (Tocopherol) Vitamin E Oil, and (Mentha Piperita) Peppermint Essential Oil.

Coconut Lime Vanilla Bath Crystals: (Sodium Chloride) Rock Salt, (Tocopherol) Vitamin E Oil, and Phthalate-free Fragrance.

Midnight Orchid: rock salt, tocopherol (vitamin E) oil, phthalate-free fragrance. Vegan

Grapefruit Lily Bath Crystals: (Sodium Chloride) Rock Salt, (Tocopherol) Vitamin E Oil, Phthalate-free Fragrance, (Beta Vulgaris) Beet Root Powder, natural colorant.

Lavender Bath Crystals: (Sodium Chloride) Rock Salt, (Tocopherol) Vitamin E Oil, and (Lavandula Officinalis) Lavender Essential Oil.

Mineral Bath Soak

Lavender-Vanilla Mineral Bath Soak: Dendritic Sea Salt, Dead Sea Salt, Vitamin E oil, Lavender Essential Oil and Vanilla Essential Oil Blend.

Face Care

Green Tea Antioxidant Serum: Organic Camellia Sinensis (green tea) leaf extract, distilled water, vegetable glycerin, ginko bilboba leaf extract, olea europaea, aspalathus linearis (roooibos) leaf extract, camellia sinesis (white tea) leaf extract, niamicide, pro-vitamin B5 (panthenol), beet root ferment (preservative), hydroxypropyl starch, phosphate squalene, pomegranate seed oil, olive fruit oil, seabuckthorn oil, sunflower oil, essential oil blend of rosemary, spearmint, peppermint, basil, thyme, lavender, d-limonene and lemongrass, omega-3, glycerol monooleate, fulvic acid, kaolin clay, astaxanthin, sodium bicarbonate, citric acid. 75% organic, Paraben-free
Organic Anti Aging Serum: Organic Avocado Fruit Oil, Pomegranate Seed Oil, Grapeseed Oil, Green Tea Extract, Camellia Seed Oil, Organic Apricot Kernel Oil, Organic Argan Oil, Jojoba Oil, Evening Primrose Oil, Moringa Oil, Calendula Extract, Vitamin E Oil, Olive Fruit Oil, Seabuckthorn Oil, Rosehip Oil, Sunflower Oil, Essential Oil Blend of Palmarosa, Bourbon Geranium, Neroli, Rosemary, Spearmint, Peppermint, Basil, Thyme, Lavender, D-Limonene and Lemongrass, Omega-3, Glycercin Monooleate, Fulvic Acid, Kaolin Clay, Astaxanthin, Sodium Bicarbonate and Citric Acid.

Gentle Face Crème for Sensitive Skin: Distilled Water, Aloe Gel, Vegetable Emulsifying Wax, Olive Butter, Avocado Oil, Meadow Foam Oil, Jojoba Oil, Allantoin, Evening Primrose Oil, Vitamin E Oil, Hydroxypropyl Starch Phosphate, Botanical Complex, Carrot Seed Oil, Pomegranate Seed Extract, Gluconolactone and Sodium Benzoate (preservative).

Face Crème with Tea Tree and Citrus: Distilled water, Aloe Vera, Conditioning Emulsifier, Evening Primrose Oil, Vegetable Glycerin, Calendula Oil, Grapeseed Oil, Witch Hazel, Vitamin E Oil, Jojoba Oil, Meadow Foam Oil, Allantoin, Red Raspberry Seed Oil, Rose Geranium, Stearic Acid, Botanical Complex, Tea Tree Essential Oil, Orange Essential Oil, Ylang Ylang Essential Oil, Lavender Essential Oil, Phenoxyethanol and Caprylyl Glycol (Optiphen).

Gentle Cleansing Gel: Aloe Vera Gel, Coconut Oil Olein, Coconut Oil Betaine, Lemon Extract, Avocado Oil, Grapefruit Seed Extract, Food Grade Potassium Sorbate, Vitamins A, C (Citric Acid) and E (Tocopherol), Calendula Extract, Essential Oils of Juniper, Cypress, Cedar Wood, Frankincense, Neroli, Jasmine, Rosemary, Geranium, Rose, Sandalwood, Lavender, Basil, Chamomile, and Cardamom.

Cleansing Gel for Oily Skin: Aloe Vera Gel, Coconut Oil Olein, Coconut Oil Betaine, Lemon Extract, Avocado Oil, Grapefruit Seed Extract, Food Grade Potassium Sorbate, Vitamins A, C (Citric Acid) and E (Tocopherol), Calendula Extract, Essential Oils of Juniper, Cypress, Cedar Wood, Frankincense, Neroli, Jasmine, Rosemary, Geranium, Rose, Sandalwood, Lavender, Basil, Chamomile and Cardamom, Tea tree, Orange, Grapefruit, and Lemongrass Essential Oil Blend.

Hydrating Facial Mist: Purified water, Hamamelis Virginiana (witch hazel), Jojoba Oil, Lonicera Japonica (honeysuckle hydrosol), Vitamin E Oil, Rose Geranium Essential Oil, Jasmine Essential Oil.

Clarifying Facial Mist: Purified Water, Hamamelis Virginiana (witch hazel), Jojoba Oil, Lonicera Japonica (honeysuckle hydrosol), Vitamin E Oil, Tea tree, Orange, Grapefruit, and Lemongrass Essential Oil Blend.

Pomegranate Facial Polish: Water, Aloe Vera Gel, Coconut Oil, Grapeseed Oil, Organic Jojoba Beads, Emulsifying Wax, Stearic Acid, Jojoba Oil, Vegetable Glycerin, Red Raspberry Seed Oil, Vitamin E Oil, Pomegranate Seed Extract, Calendula Extract, Grapefruit Seed Extract, Phthalate-free Fragrance, Phenoxyethanol and Caprylyl Glycol (Optiphen).

Unscented Pomegranate Facial Polish: Water, Aloe Vera Gel, Coconut Oil, Grapeseed Oil, Organic Jojoba Beads, Emulsifying Wax, Stearic Acid, Jojoba Oil, Vegetable Glycerin, Red Raspberry Seed Oil, Vitamin E Oil, Pomegranate Seed Extract, Calendula Extract, Grapefruit Seed Extract, Phenoxyethanol and Caprylyl Glycol (Optiphen).

Detoxifying Charcoal Facial Polish: aqua (water), simmondsia chinensis* (jojoba) beads, cocos nucifera (coconut) oil, aloe

Detoxifying Charcoal Facial Mask: aqua (water), olea europaea* (olive) oil, emulsifying wax, aloe barbadensis* (aloe vera) leaf juice, bentonite clay, simmondsia chinensis* (jojoba) seed oil, activated charcoal (coconut), stearic acid, althaea officinalis* (marshmallow) root powder, phenoxyethanol and caprylyl glycol (preservative), camellia sinensis (green tea) leaf extract, salix alba (white willow) bark extract, omega complex *certified organic

Prebiotic Face Care

Face Mist: Purified Water, Saponified Coconut Oil, Sea Kelp, Organic Plant Extracts, Soy Lecithin, Aloe and Citric Acid.

Face Wash: Purified Water, Coconut Oil, Sea Salt, Kelp, Chamomile Extract, Citric Acid and Glycerin (plant derived).

Lip Balm

Pink Shimmer Lip Balm: Beeswax, (Theobroma Cacao) Cocoa Butter, Coconut Oil, (Prunus Armeniaca) Apricot Kernel Oil, Castor Oil, (Tocopherol) Vitamin E Oil, Mica, Titanium Dioxide, Stevia (natural sweetener), Phthalate-free Fragrance Oil.

Burgundy Mint Shimmer Lip Balm: Beeswax, (Theobroma Cacao) Cocoa Butter, Coconut Oil, (Prunus Armeniaca) Apricot Kernel Oil, Castor Oil, (Tocopherol) Vitamin E Oil, Mica, Natural colorant, Titanium Dioxide, Stevia (natural sweetener), Peppermint Essential Oil.

Spearmint Lip Balm: Beeswax, (Theobroma Cacao) Cocoa Butter, Coconut Oil, (Prunus Armeniaca) Apricot Kernel Oil, Castor Oil, (Tocopherol) Vitamin E Oil, (Mentha spicata), Spearmint Essential Oil.

Banana, Bubble Gum and Grape: Beeswax, Apricot Kernel Oil, Cocoa Butter, Coconut Oil, Phthalate-free Flavor Oil, Mica (for color), Stevia, Vitamin E Oil.

Nourishing Lip Butter: Mango Butter, Oryza sativa (rice bran wax), Beeswax, Red Raspberry Oil, Meadow Foam Oil, Calendula Oil, Zinc Oxide, natural lemon flavor oil, Mica (for color).

Exfoliating lip polish: White Granulated Sugar, Shea Butter, Jojoba Oil, Molasses, Brown Sugar, Meadow Foam Seed Oil, Oryza sativa (rice bran wax), Red Raspberry Oil.
Deodorant

Deodorant Paste - Sport Blend: butyrospermum parkii* (shea butter), sodium bicarbonate (non-aluminum baking soda), maranta arundacea* (arrowroot powder), cocos nucifera* (coconut) oil, non-GMO tocopherol (vitamin E) oil, theobroma cacao (cocoa) seed butter, persea gratissima* (avocado) oil, essential oil blend of citrus limon* (lemon), juniperus communis* (juniper berry), cupressus sempervirens* (cypress), citrus paradisi* (grapefruit), boswellia riae* (frankincense), commiphora myrrha (myrrh), melaleuca* (tea tree), cymbopogon flexuosus* (lemongrass), syzygium aromaticum (clove bud) *certified organic

Deodorant Paste - Lemongrass: butyrospermum parkii* (shea butter), sodium bicarbonate (non-aluminum baking soda), maranta arundacea* (arrowroot powder), cocos nucifera* (coconut) oil, non-GMO tocopherol (vitamin E) oil, theobroma cacao (cocoa) seed butter, persea gratissima* (avocado) oil, cymbopogon flexuosus* (lemongrass) essential oil, citrus limon* (lemon) essential oil *certified organic

Deodorant Paste - Lavender Vanilla: butyrospermum parkii* (shea butter), sodium bicarbonate (non-aluminum baking soda), maranta arundacea* (arrowroot powder), cocos nucifera* (coconut) oil, non-GMO tocopherol (vitamin E) oil, theobroma cacao (cocoa) seed butter, persea gratissima* (avocado) oil, essential oil blend of anethis nobilis (chamomile) essential oil, lavandula angustifolia* (lavender) oil, vanillia platifolia* (vanilla absolute) essential oil *certified organic

Deodorant Paste – Unscented: butyrospermum parkii* (shea butter), sodium bicarbonate (non-aluminum baking soda), maranta arundacea* (arrowroot powder), cocos nucifera* (coconut) oil, non-GMO tocopherol (vitamin E) oil, theobroma cacao (cocoa) seed butter, persea gratissima* (avocado) oil *certified organic

Deodorant Spray – Sport: hamamelis virginiana (witch hazel), aqua (distilled water), aloe varbadansis (aloe vera) juice, essential oil blend of citrus limon* (lemon), juniperus communis* (juniper berry), cupressus sempervirens* (cypress), citrus paradisi* (grapefruit), boswellia riae* (frankincense), commiphora myrrha (myrrh), melaleuca* (tea tree), cymbopogon flexuosus* (lemongrass), syzygium aromaticum (clove bud), tocopherol (vitamin E) oil *certified organic

Deodorant Spray – Lemongrass: hamamelis virginiana (witch hazel), aqua (distilled water), aloe varbadansis (aloe vera) juice, cymbopogon flexuosus* (lemongrass) essential oil, citrus limon* (lemon) essential oil, tocopherol (vitamin E) oil *certified organic

Deodorant Spray – Lavender Vanilla: hamamelis virginiana (witch hazel), aqua (distilled water), aloe varbadansis (aloe vera) juice, anethis nobilis (chamomile) essential oil, lavandula angustifolia* (lavender) essential oil, vanillia platifolia* (vanilla absolute) essential oil, tocopherol (vitamin E) oil *certified organic

Deodorant Spray – Unscented: hamamelis virginiana (witch hazel), aqua (distilled water), aloe varbadansis (aloe vera) juice, melaleuca* (tea tree) essential oil, tocopherol (vitamin E) oil *certified organic

Balms and Butters

Organic Nail Balm: (90% organic & 100% all-natural) Organic Olive Oil, Organic Apricot Kernel Oil, Organic Avocado Oil, Organic Beeswax, Horsetail Oil, Vitamin E Oil, Organic Grapefruit Seed Extract.

Note: No essential oils added to the ‘unscented’ version of Whipped Body Butter.

Massage Oil

Baby Massage Oil: (Vitis Vinifera) Grapeseed Oil, (Prunus Armeniaca) Apricot Oil, (Simmondsia Chinensis) Jojoba Oil, (Tocopherol), Lavender Essential Oil, Natural Vanilla Essential Oil Blend, Vitamin E Oil, (Pogostemon Cablini) and (Vitis Vinifera) Grapefruit Seed Extract

Coconut Cream Massage Oil: (Vitis Vinifera) Grapeseed Oil, (Prunus Armeniaca) Apricot Oil, (Simmondsia Chinensis) Jojoba Oil, (Tocopherol) Vitamin E Oil, phthalate-free Fragrance and (Vitis Vinifera) Grapefruit Seed Extract

Hydrating Body Spritz

Coconut Lime Vanilla and Grapefruit Lily Hydrating Body Spritz: Purified water, Aloe Vera Juice, Grapeseed Oil. Vitamin E Oil, Phthalate-free Fragrance.

Pomegranate Hydrating Body Spritz: Purified Water, Aloe Vera Juice, Grapeseed Oil, Vitamin E Oil, Phthalate-free Fragrance Oil, Pomegranate Seed Extract.

Midnight Orchid Body Spritz: aqua (water), aloe barbadensis (aloe vera) juice, phthalate-free fragrance, vitis vinifera (grape) seed oil, tocopherol (vitamin E) oil.

Pink Champagne Hydrating Body Spritz: aqua (water), aloe barbadensis (aloe vera) gel, vitis vinifera (grape) seed oil, tocopherol (vitamin E) oil, fragrance (phthalate-free fragrance)

Aromatherapy Mists Vegan, nut-free

Purifying Tea Tree: Water (aqua), Melaleuca Alternifolia (Tea Tree) Oil, Witch Hazel, Citrus Sinensis (Sweet Orange) Oil, Cananga Odorata (Ylang Ylang) Oil.

Lavender Relaxation: Water (aqua), Lavender Essential Oil, Natural Vanilla Oil.

Bug-A-Boo Insect Repellant

Bug-A-Boo Insect Repellant glide-on stick: Almond oil, Beeswax, Apricot Kernel Oil, Mango Butter, Coconut Oil, Shea Butter, Jojoba Oil, Zinc Oxide, Vitamin E Oil, Grapefruit Seed Extract, Essential Oil Blend of Lemongrass, Catnip, Citronella, Sandalwood, Lemon Eucalyptus; Phthalate-free Fragrance Oil.

Lotion, Crème, Body Icing Vegan

Midnight Orchid: aqua (water), Aloe Barbadensis (Aloe Vera) Gel, Prunus Amygdalus Dulcis (sweet almond) Oil, Oenothera Biennis (Evening Primrose) Oil, Simmondsia Chinensis (Jojoba) Oil, Vitis Vinifera (Grape) Seed Oil, Prunus Armeniaca (Apricot) Kernel Oil, Caprylic/Capric Triglyceride, Vegetable Emulsifier, Stearic acid, Vegetable Glycerin, Butyrospermum Parkii (Shea Butter), Tocopherol (Vitamin E) Oil, Phthalate-free fragrance, Phenoxyethanol and Caprylyl Glycol (Optiphen), Hydroxypropyl Starch Phosphate.

Ultra Hydrating Body Crème: aloe barbadensis (aloe vera) gel, aqua (distilled water), vitis vinifera (grape seed) oil, simmondsia chinensis (jojoba) see oil, behentrimonium methosulfate, cetearyl alcohol (vegetable derived), vegetable glycerin, mangifera indica (mango) seed butter, butyrospermum parkii (shea butter), theobroma cacao (cocoa) seed butter, oenothera biennis (evening primrose), tocopherol (vitamin E oil), citric acid, sodium benzoate and gluconolactone (preservative).

Pink Champagne Body Icing: aloe barbadensis (aloe vera) gel, aqua (water), vitis vinifera (grape) seed oil, simmondsia chinensis (jojoba) oil, butyrospermum parkii (shea butter), theobroma cacao (cocoa) seed butter, theobroma grandiflorum (cupuacu) seed butter, hydroxypropyl starch phosphate, oenothera biennis (evening primrose) oil, stearic acid, mica, tocopherol (vitamin E) oil, phenoxyethanol, Phenoxyethanol and Caprylyl Glycol (Optiphen), phthalate-free fragrance.

Men's Essentials

3 in 1 Wash: aqua (water), cocos nucifera (coconut) oil, aloe barbadensis (aloe vera) gel, sea salt, algin (kelp), citric acid, glycerin, moringa oleifera (moringa) oil, santalum spicatum* (sandlewood) essential oil, picea mariana (spruce) essential oil, eucalyptus radiata* (eucalyptus) essential oil, cupressus sempervirens* (cypress) essential oil, cedrus atlantica* (cedar) essential oil, betula lenta (birch) essential oil, bursera graveolens (palo santo) oil *certified organic.

After Shave Lotion: Water, Aloe Vera Juice, Sweet Almond Oil, Vegetable Emulsifier, Stearic Acid, Glycerin (vegetable based), Grape Seed Oil, Apricot Kernel Oil, Coconut Oil, JOjoba Oil, Primrose Oil, Shea Butter, Vitamin E (non-soy), Sodium Benzoate, Gluconolactone; Essential Oil Blend of Sandalwood, Spruce, Eucalyptus, Cypress, Cedar, Birch and Palo Santo.

Recovery Balm: olea europaea* (olive) oil, prunus armeniaca* (apricot) kernel oil, cera alba* (beeswax), per sea gratissima* (avocado) oil, tocopherol (vitamin E) oil, mentha arvensis* (menthol crystals), cinnamomum camphora* (ravintsara) essential oil, helianthus annuus seed oil (and) arnica montana flower extract*, mentha piperita*(peppermint) essential oil, eugenia caryophyllata* (clove) essential oil, citrus grandis* (grapefruit) seed extract, eletteria cardamomum* (cardamom) essential oil, cinnamomum zeyanicum* (cinnamon) *certified organic.

Soothing Balm: olea europaea* (olive) oil, prunus armeniaca* (apricot) kernel oil, cera alba* (beeswax), per sea gratissima* (avocado) oil, tocopherol (vitamin E) oil, mentha arvensis* (menthol crystals), mentha piperita*(peppermint) essential oil, citrus grandis* (grapefruit) seed extract *certified organic.

Nursing Balm: organic olea europaea (olive) oil, organic cera alba (beeswax), organic persea gratissima (avocado) oil, butyrospermum parkii (shea butter), moringa oleifera (moringa) oil, rosmarinus officinalis (rosemary) flower extract, caprylic triglyceride, calendula officinalis (calendula) flower extract.

Massage Oil: (Vitis Vinifera) Grapeseed Oil, (Brassica Napus) Canola Oil, (Prunus Armeniaca) Apricot Oil, (Glycerin) Vegetable Glycerin, (Simmondsia Chinensis) Jojoba Oil, (Tocopherol), Lavender Essential Oil, Natural Vanilla Essential Oil Blend, Vitamin E Oil, (Pogostemon Cablini), and (Vitis Vinifera) Grapefruit Seed Extract.

Foot Care

Herbal Foot Soak: (Magnesium sulfate) Epsom Salts, (Mentha piperita) Peppermint Leaf, (Mentha spicata) Spearmint Leaf, (Salvia officinalis) Sage, (Mentha piperita), (Mentha spicata), (Melaleuca alternifolia) Essential Oils of Spearmint, Peppermint, and Tea Tree, Vitamin E Oil.
**Walnut Foot Scrub:** (Sodium Chloride) Fine Sea Salt, (Helianthus annuus) Sunflower Oil, (Kaolinite) Kaolin Clay, Polyglucose, (Juglans nigra) Walnut Hulls, (Citrus limonum) Lemon Peels, (Citrus sinensis) Orange Peels, (Mentha piperita), (Mentha spicata), (Melaleuca), (Salvia officinalis) Essential Oils of Peppermint, Spearmint and Tea Tree, (Tocopherol) Vitamin E Oil, Grapefruit Seed Extract.

**Peppermint Foot Balm:** (Prunus amygdalus dulcis) Almond Oil, (Olea europaea) Olive Oil, (Simmondsia chinensis) Jojoba Oil, Beeswax, (Tocopherol) Vitamin E Oil, (Mentha piperita) Peppermint Essential Oil, (Melaleuca alternifolia) Tea Tree Essential Oil, and (Vitis vinifera) Grapefruit Seed Extract.

**Cucumber Foot Soak:** Magnesium sulfate (Epsom salt), Castor Oil, Phthalate-free Fragrance oil, Vitamin E oil, Parsley Leaves, Calendula Extract, Cucumber Extract, Tea Tree Essential Oil.

**Cucumber Foot Scrub:** Sodium Chloride (fine sea salt), Helianthus annuus (sunflower oil), Kaolinite (kaolin) Clay, Poppy Seeds, Phthalate-free Fragrance Oil, Tocopherol (Vitamin E Oil), Parsley for color.

**Cucumber Foot Crème:** (Aloe Barbadensis Leaf) Aloe Vera Gel, Distilled Water, Emulsifying Conditioner, (Vitis Vinifera) Grapeseed Oil, (Simmondsia Chinesis) Jojoba Oil, (Mangifera Indica) Mango Butter, (Butyrospermum Parkii Fruit) Shea Butter, (Theobroma cacao) Cocoa Butter, (Oenothera Biennis) Evening Primrose, (Tocopherol) Vitamin E Oil, Cucumber Extract, Phenoxyethanol and Caprylyl Glycol (Optiphen), and Phthalate-free Fragrance.

**Sunscreen**

**Unscented Sunscreen Sport Stick SPF 30:** **Active Ingredients:** Zinc Oxide (14.8%) Titanium Oxide (74.3%) **Inactive Ingredients:** prunus armeniaca (apricot) kernel oil, cocos nucifera (coconut) oil, beeswax, mangifera indica (mango) seed butter, simmondsia chinensis (jojoba) seed oil, butyrospermum parkii (shea butter), calendula officinalis (pot marigold) flower extract, tocopherol (vitamin E) oil

**Vanilla Tinted Sunscreen Sport Stick SPF 30:** Zinc Oxide (14.8%) Titanium Oxide (74.3%) **Inactive Ingredients:** prunus armeniaca (apricot) kernel oil, cocos nucifera (coconut) oil, beeswax, mangifera indica (mango) seed butter, simmondsia chinensis (jojoba) seed oil, butyrospermum parkii (shea butter), calendula officinalis (pot marigold) flower extract, certified organic vanilla platifolia (vanilla absolute), tocopherol (vitamin E) oil, Mica (for color)

**Hair Care**

**Botanical Shampoo for Normal Hair:** Aloe Vera Gel, Coconut Oil Olefin, Coconut Oil Betaine, Lemon Extract, Avocado Oil, Palmitate, Citric Acid, Tocopherol, Sodium Benzoate, Glucano Lactone, Grapefruit Seed Extract. Essential Oils of Juniper, Cypress, Cedarwood, Frankincense, Neroli, Jasmine, Rosemary, Geranium, Rose, Sandalwood, Lavender, Basil, Chamomile, Cardamom.

**Botanical Conditioner for Normal Hair:** Aloe Vera Gel, Vegetable Oil Quaternary, Cellulose Gum, Coconut Oil Hydroxyl, Vegetable Glycerin, Lemon Extract, Palmitate, Citric Acid, Tocopherol, Grapefruit Seed Extract. Essential Oils of Lavender, Clary Sage, Frankincense, Myrrh, Neroli, Jasmine, Rosemary, Bergamot, Cypress.

**Deep Conditioner with Shea Butter:** Aloe Vera Gel, Vegetable Oil Quaternary, Cellulose Gum, Coconut Oil Hydroxyl, Organic Shea Butter, Vegetable Glycerin, Virgin Organic Argan Oil, Lemon Extract, Palmitate, Citric Acid, (Tocopherol) Vitamin E Oil, Grapefruit Seed Extract. Essential Oil Blend of Bergamont, Cypress, Lavender, Clary Sage, Frankincense, Myrrh, Neroli, Jasmine and Rosemary.

**Hair Spray:** Aloe Vera Gel, Vegetable Glycerin, Panthenol B–5, Tocopherol (vitamin E oil), Flax Seed, Witch Hazel, Grapefruit Extracts, Bergamot Essential Oil, Sandalwood Essential Oil, Jojoba Oil.
Sheer Minerals Makeup

Mineral Makeup Primer: Aloe Barbadensis Leaf (Aloe Gel)*, Simmondsia Chinensis (Jojoba) Seed Oil*, Jojoba Wax Esters, Oryza Sativa (Rice) Starch*, Tocopherol (Vitamin E), Sodium Ascorbate (Vitamin C), Euphorbia Cerifera (Candelilla) Wax, Extracts of Organic Camellia Sinensis Leaf Ferment (Green Tea), Resveratrol, Silica, Lonicera Caprifolium (Japanese Honeysuckle), Persea Gratissima Oil (Avocado Butter)*, Mica, Phenoxyethanol (preservative less than 1%). *Certified organic.

Cover-Up Minerals: Kaolin clay, Titanium Dioxide, Non-nano Zinc Oxide, Iron Oxides for color.

Neutral Concealing Stick: Cera alba (Beeswax), Cocos Nucifera (Coconut) Oil, Euphorbia Cerifera (Candelilla) Wax, Ethylhexyl glycerin, Octyl Palmitate, Helianthus Annus (Sunflower) Seed Oil Rice Powder, Silica, Mica, Caffeine, Citrus Grandis (Grapefruit) Seed Extract, Tocopheryl Acetate (Vitamin E), Titanium Dioxide, Yellow Iron Oxide, Red Iron Oxide, Black Iron Oxide.

Organic Makeup Remover: Organic Argan Oil, Organic Avocado Oil, Organic Apricot Kernel Oil, Organic Jojoba Oil, Vitamin E Oil.

Lighten Up Concealing Stick: Cera alba (Beeswax), Cocos Nucifera (Coconut) Oil, Euphorbia Cerifera (Candelilla) Wax, Ethylhexyl glycerin, Octyl Palmitate, Helianthus Annus (Sunflower) Seed Oil Rice Powder, Silica, Mica, Caffeine, Citrus Grandis (Grapefruit) Seed Extract, Tocopheryl Acetate (Vitamin E), Titanium Dioxide, Yellow Iron Oxide, Red Iron Oxide, Black Iron Oxide.

Organic Makeup Remover: Organic Argan Oil, Organic Avocado Oil, Organic Apricot Kernel Oil, Organic Jojoba Oil, Vitamin E Oil.

Green Corrector Concealing Stick: Cera alba (Beeswax), Cocos Nucifera (Coconut) Oil, Euphorbia Cerifera (Candelilla) Wax, Ethylhexyl glycerin, Octyl Palmitate, Helianthus Annus (Sunflower) Seed Oil Rice Powder, Silica, Mica, Caffeine, Citrus Grandis (Grapefruit) Seed Extract, Tocopheryl Acetate (Vitamin E), Titanium Dioxide, Yellow Iron Oxide, Red Iron Oxide, Black Iron Oxide.

Strobe Stick: Cera alba (beeswax), mangifera indica (mango) seed butter, butyrospermum parkii (shea butter), prunus armeniaca (apricot) oil, cocos nucifera (coconut) oil, simmondsia chinensis* (jojoba) seed oil, calendula officinalis (pot marigold), ocopherol (vitamin E) oil, titanium dioxide, silver mica, gold mica

Café Deep, Cream Light, Golden Medium, Oatmeal Light, Rose Tan, Sand Medium, Sienna Dark, and Sunlight Tan Foundation: Mica, Titanium Dioxide, Non-nano Zinc Oxide, Iron Oxide for color.

Cinnamon Dark and Rose Deep Foundation: Mica, Titanium Dioxide, Zinc Oxide, Iron Oxide, Ultramarine Blue.

Pink Finishing Veil: Kaolin Clay, Titanium Dioxide, Zinc Oxide, Mica, Iron Oxide.

Matte Finishing Veil: Kaolin Clay, Mica.

Mineral Setting Spray: Purified Water, Camellia (Green tea extract), Salix Nigra (Willow bark extract), Grapefruit Seed Extract, Neroli Essential Oil.

Contour Powder: mica, titanium dioxide, zinc oxide, iron oxide

Sweet Cheeks Blush: Mica, Iron Oxides, Ultramarine Pink.

Carmel Matte Bronzer, Coral Blush and Rose Shimmer Blush: Mica, Iron Oxide.

Hibiscus Blush: Mica, Titanium Dioxide, Iron Oxide, Manganese Violet.

Honey Glow Bronzer: Mica, Titanium Dioxide, Iron Oxide.

Sunset Bronzer: Mica, Titanium Dioxide, Iron Oxide, Ultramarine Blue.

Seaside Eye Shadow: Titanium dioxide, Ultramarine Blue, Ferric Ferrocyanide.

Ballerina Pink Eye Shadow: Mica, Iron Oxide, Ultramarine Pink, Titanium Dioxide.

Emerald Isle Eye Shadow: Titanium Dioxide, Iron Oxides, Mica, Chromium Oxide Green.
Amaretto Eye Shadow: Mica, Titanium Dioxide, Iron Oxide.

Azul Eye Shadow: Mica, Titanium Dioxide, Ferric Ferrocyanide.

Dazzle Eye Shadow: Mica, Titanium Dioxide, Iron Oxides.

Frosted Taupe Eye Shadow: Mica, Titanium Dioxide, Iron Oxide.

Orchid Frost Eye Shadow: Mica, Titanium Dioxide, Iron Oxide, Manganese Violet, Ferric Ferrocyanide.

Serenity Blue Eye Shadow: Mica, titanium dioxide, ferric ferrocyanide (blue color)

Plum Eye Shadow: Mica, Manganese Violet, Iron Oxide.

Sea Shell, Blue Quartz and Sand Pearl Eye Shadow: Mica, Titanium Dioxide, Iron Oxide.

Smokey Eye Shadow: Mica, Titanium Dioxide, Iron Oxide, Ferric Ferrocyanide.

White Diamond Eye Shadow: Mica, Titanium Dioxide.

Eye Liner Pencil: Organic Meadow Foam Seed Oil, Cetyl Stearyl Alcohol, Triglyceride, Carnauba Wax, Candelilla Wax, Titanium Dioxide, Mica, Iron Oxide, Pro-vitamin B5 Panthenol.

Organic Crème Lipstick: ricinus communis* (castor) oil, cera alba* (beeswax), copernicia cerifera (carnauba) wax, candelilla wax, helianthus annuus* (sunflower) seed oil, butyrospermum parkii* (shea butter), theobroma cacao* (cocoa butter), simmondsia chinensis* (jojoba) seed oil, cocos nucifera* (coconut) oil, cetyl alcohol (coconut derived), iron oxide, titanium dioxide, tocopherol (vitamin E) oil, citrus grandis (grapefruit) seed extract *certified organic

Organic Lip Gloss: Ricinus Communis (Castor) Oil*, Cocos Nucifera (Coconut) Oil*, Helianthus Annuus (Sunflower) Seed Oil*, Simmondsia Chinensis (Jojoba) Oil, Bis-Diglyceryl Polyacyladipate-2, Cera Alba (Beeswax), Theobroma Cacao (Cocoa Butter)*, Butyrospernum Parkii (Shea Butter)*, Tocopherol Acetate (Vitamin E), Vanilla Extract, citrus grandis (grapefruit) seed extract. May contain Titanium Dioxide, Iron Oxide, Turmeric Powder, Kaolin, Mica. *Certified Organic.

Natural Lip Liners: Organic Meadowfoam Seed Oil, Cetyl Stearyl Alcohol, Triglyceride, Carnauba Wax, Candelilla Wax, Titanium Dioxide, Mica, Iron Oxide, Pro-vitamin B5.

BB Crème: Aqua, Caprylyc/Caprylic Triglyceride, Glycerin, Dimethicone, Persea Gratissima (Avocado) Oil, Stearic Acid, Aloe Barbadensis Leaf Juice, Oryza Sativa (Rice) Bran Oil, Cetyl Alcohol, Palmitoyl Oligoepptide, Palmitoyl Tetrapeptide-7, Grapefruitseed Extract. May contain: Mica, Titanium Dioxide, Zinc Oxide, Iron Oxides; all non-nanoparticle
Appendix B

Terminology and Ingredient Benefits

Organic vs. natural
♦ "Natural" is described as "existing in nature" or "not artificial."
♦ "Organic" refers to a farming technique that doesn't use synthetic fertilizers or pesticides on land and crops.
♦ Some Lemongrass products contain organically grown ingredients and oils. Not all of the products in the Lemongrass line are organic but they are all 97 – 100% natural.

Castor oil (in liquid soap) is a vegetable oil obtained from the castor bean (or preferably castor seed as the castor plant (Ricinus communis) is not a member of the bean family). Castor oil is extremely versatile and unique in its composition, maintaining its fluidity at both extremely high and low temperatures. Castor oil consists of 90 % unsaturated C:18 ricinoleic fatty acid. Castor oil is commonly used in the manufacturing of soaps because it can emit a rich lather.

Potassium hydroxide (in bar and liquid soap) is a caustic white solid, KOH, commonly called lye, used in the manufacture of soaps. Our formula contains a small amount of lye in order to create the soap. It provides the correct pH balance necessary to turn oils into a cleaning agent. Once the liquid is turned into soap, the potassium hydroxide has completed its chemical reaction and is no longer evident in the soap.

Borax (in liquid soap) is directly deposited in arid regions from the evaporation of water in intermittent lakes called playas. Borax is usually found deep within the ground, although it has been mined near the surface in Death Valley, California since the 1800s. Although it has numerous industrial uses, in the home borax is used as a natural laundry booster, multipurpose cleaner, fungicide, preservative, insecticide, herbicide, disinfectant, desiccant, and ingredient in making 'slime'. Borax crystals are odorless, whitish (can have various color impurities), and alkaline. Borax is not flammable and is not reactive. It can be mixed with most other cleaning agents, including chlorine bleach. In Lemongrass’ foaming liquid hand soap, there is a very low concentration of borax present in the formula, about 5% by weight.

How Does Borax Clean? Borax has many chemical properties that contribute to its cleaning power. Borax and other borates clean and bleach by converting some water molecules to hydrogen peroxide (H₂O₂). This reaction is more favorable in hotter water. The pH of borax is about 9.5, so it produces a basic solution in water, thereby increasing the effectiveness of bleach and other cleaners. In other chemical reactions, borax acts as a buffer, maintaining a stable pH needed to maintain cleansing chemical reactions. The boron, salt, and/or oxygen of boron inhibit the metabolic processes of many organisms. This characteristic allows borax to disinfect and kill unwanted pests. Borates bonds with other particles to keep ingredients dispersed evenly in a mixture, which maximizes the surface area of active particles to enhance cleaning power.

Risks Associated with Borax: Borax is natural, but that does not mean it is automatically completely safe without some precautions. We urge customers to keep out of eyes, out of the reach of children and pets because they must not ingest it. Keep away from food – borax should not be eaten.

Aloe Vera gel (in lotion, body spritz, some body polish) helps soothe sunburn, windburn, dry skin and minor skin irritations. Contains polysaccharides, which can improve the skin’s ability to hydrate and protect itself. Its gel contains over 75 nutrients such as minerals, amino acids, and a number of vitamins including B12, enzymes and more

Emulsifying Wax is used to make stable blends of oil and water. Our emulsifying wax is a vegetable derived blend of fats to thicken our formulations into lotion and crème.

Glycerin is a neutral, colorless, thick liquid extracted from plants. Glycerin is highly "hygroscopic" or a ‘humectant’, which means it can absorb water from the air. It helps the ‘glide’ factor of crème and lotion.

Emulsifying/vegetable conditioner is a Quaternary ammonium compound derived from the natural plant oil Colza (Canola) and a fatty element, which thickens crème.

Olive Butter (in Face Crème with Botanicals, Pomegranate Facial Mask) is the butter obtained from cold pressed olives. It possesses all of the natural qualities of olive oil and is similar in feel to shea butter.
Mango Butter (in body polish, crème) is obtained from the kernels of the mango tree. It has a high content of stearic acid, which makes it similar to cocoa butter. Mango butter has good emolliency and lends protection against the sun. It is said to prevent drying of the skin and formation of wrinkles. Mango butter also reduces degeneration of skin cells and restores elasticity.

Palm Oil (Bar Soap) from palm trees rich in omegas and essential fatty acids. Lemongrass Spa use RSPO Sustainable certified palm oil sourced from Columbia. RSPO certification guarantees the farming, harvesting and supply chain of palm oil is ethical and has a low environmental impact (e.g., it does not displace orangutan habitats). To learn more about RSPO certification, please visit http://www.rspo.org.

Jojoba Oil (in lotion, crème, facial products) improves moisture in the skin. Resembles the skin’s natural ‘sebum’, or skin oils.

Allantoin (in facial products) is a healing, moisturizing, soothing and anti-irritating natural component derived from comfrey root. Allantoin is a valuable cell-proliferating healing agent, which stimulates healthy tissue formation. It is used in the treatment of skin ulcers, wounds, burns and sunburns, acne and skin eruptions, abrasions, impetigo, eczema and psoriasis.

Evening Primrose oil (Face Crème) comes from oil within the Evening Primrose seed. It contains the essential fatty acid GLA (Gamma Linolenic Acid). It is used in treating skin conditions such as eczema and psoriasis.

Vitamin-E Oil (used in dozens of Lemongrass Spa Products) is an anti-oxidant that helps to slow skin’s natural aging process.

Botanical Complex (featured in the Face Crème with Botanicals and Tea Tree Face Crème) contains:

- Calendula Flower Extract – Intensifies the skin’s consumption of proteins and collagen production during healing phases.
- Chamomile Flower Extract – Treats a wide variety of skin disorders such as eczema, bedsores, post radiation therapy skin inflammation, and contact dermatitis.
- Rose Extract – Soothes skin and has cleansing and astringent properties.
- White Willow Bark Extract – The primary active compound in white willow bark is salicin. In the body, salicin can be converted into salicylic acid, which has powerful effects as an anti-inflammatory and pain-reliever.
- Red Clover Extract – Used in ointments to treat conditions such as psoriasis, eczema, and other rashes.
- Elder Flower Extract – Used for dry skin, refines complexion and treats rashes.
- Caprylic/Capric Triglyceride – Otherwise known as fractionated coconut oil. Used as an emollient.
- Bulgarian Lavender – High-grade lavender with many healing properties. It is excellent in treating burns and rashes.
- Rose Geranium – Used to help in the treatment of acne, bruises, burns, cuts, dermatitis and eczema. This uplifting oil has a great balancing effect and this extends to the skin as it helps to create balance between oily and dry skin.
- Carrot Seed Oil – It has anti-aging, analgesic and eczema-treatment properties. Carrot seed oil also assists in removing toxin and water build up in the skin giving it a fresher, firmer appearance.

Meadowfoam Oil (in facial products) moisturizes the skin, provides some natural ultra-violet protection, has a non-greasy feeling, soaks into the skin easily, reduces wrinkles and signs of aging.

Witch Hazel (in Facial Mist and Deodorant Spray) originates from the bark and leaf of the Hamamelis tree. Excellent treatment for inflammation, irritations, acne and injuries to skin.

Optiphen – Preservative (.05 percent used). Used in our lotion and crème to alleviate bacteria and mold from forming in the product. Does not contain formaldehyde, parabens or propylene glycol.

Phenoxyethanol – Preservative (<1 percent used). Used to alleviate bacteria and mold from forming in the product. Does not contain formaldehyde, parabens or propylene glycol. Derived from coconuts.

Caprylyl glycol, sodium benzoate, potassium sorbate, ethyhexyl glycerin – 1% Preservative blend with antimicrobial properties used in the Sunscreen Sport Lotion.

Pro-Vitamin B Panthenol (Hair Spray and Green Tea Serum) a natural humectant and thickener. Adds shine to hair. Used in skincare due to its antioxidant, moisturizing and plumping properties.

Resveratrol (in Mineral Makeup Primer) is a polyphenols antioxidant and one of 600 antimicrobial compounds known as a
phytoalexin, which is produced by plants to protect them from adverse conditions including excessive ultraviolet light, infections and climactic changes.

**Stearyl Alcohol** is a fatty alcohol made from fatty acids and is used as an emollient and to help keep other ingredients intact in a formulation. Fatty alcohols are not drying or irritating forms of alcohol.

**Mica** Mineral used as natural colorant in Sheer Minerals makeup instead of FD&C colors.

**Titanium Dioxide** (sunscreens and Sheer Minerals Makeup) Non-nanoparticle. Inorganic compound provides UVA/UVB protection. Titanium dioxide is NOT absorbed into intact skin. In makeup provides cover and a matte finish.

**Zinc Oxide** (sunscreens and Sheer Minerals Makeup) Non-nanoparticle. Inorganic compound provides UVA/UVB protection. In makeup provides cover and a matte finish.

**Olive Oil** Extracted from the ripe fruit of the olive tree, olive oil is rich in vitamins and antioxidants. It is a highly effective in neutralizing damaging free radicals.

**Argan Oil** Extracted from the green nuts of the Argan tree grown in Morocco. Otherwise known in Europe as ‘liquid gold’. Contains antioxidants, helps reduce appearance of fine lines, stretch marks and strengthens the bonding structures in skin, leaving it looking more youthful and radiant.

**Green Tea Extract** Plant extract with soothing and calming properties that is rich in antioxidants. It also contains Methylxanthines that stimulates skin microcirculation and therefore positively influences the tone and health of the skin.

**Butylene glycol** (Microdermabrasion crème) Nontoxic skin conditioning agent derived from coconuts or other fatty vegetables. Our Butylene Glycol is NOT petroleum-derived.

**Ethylhexylglycerin** (Microdermabrasion Crème) is a paraben-free and formaldehyde-free preservative and skin-conditioning agent derived from vegetable oils.

**Cetrimonium bromide** (Microdermabrasion Crème) is a paraben-free and formaldehyde-free preservative, emulsifier and surfactant (meaning it is partly water-soluble and partly oil-soluble).

**Ascorbyl palmitate** (Vitamin C Palmitate) is a variation of Vitamin C derived from palm oil and corn dextrose.

**Dimethicone** is a skin conditioning agent that helps form protective layer on skin to smooth fine lines and gives the product a silky texture. It is rated a 3 on the EWG Skindeep website.

**Marshmallow root** contains polysaccharides and flavonoids to soothe skin. Traditionally, MRE has been used to treat skin burns and insect bites. Scientific studies have determined that MRE possesses antimicrobial, anti-inflammatory, and immunomodulatory effects, the clinical uses of MRE have expanded. Marshmallow root contains a high percentage of mucilage, which has intensive hydrating, softening, and balancing properties. The anti-inflammatory properties of the extract make it a great choice for people with problem skin, such as sufferers from eczema or rosacea.

**Omega complex** is one of the components of the complex is astaxanthin which is one of the most powerful antioxidants known to man. In penetrating the skin and protecting each dermal layer from damage, astaxanthin helps reduce moisture loss, promote smoothness, and elicit cellular renewal. Omega-3 is also a component of the omega complex and it contains essential fatty acids and antioxidants extracted from fruit and nut seed oils to reduce the signs of aging and improve skin elasticity.
